Sacred Heart College Kyneton Uniform

2026

INTRODUCTION

At Sacred Heart College Kyneton we strive to be an inclusive learning community where students flourish. Learning, teaching and wellbeing are intrinsically linked and are the most important things we focus on. A pre-condition to effective learning and teaching is an orderly environment which has high expectations for students, but which offers the supportive processes and structure for them to be able to achieve this.

Prioritising adherence to the civic behaviours that we know enhance the learning environment, is an important aspect of our process development. Uniform forms an important element in creating a level playing field for all students, develops the skill of wearing a dress code, enhances a sense of belonging and is an important, visible wellbeing indicator to be able to identify concerns. Our uniform is gender neutral. Students have options that suit all personal needs while still within our uniform parameters. When expectations are clear and simple, focus can be where it should be – on Learning, teaching and wellbeing.

Regards

Ms Haley Galloway
Deputy Principal - Student Wellbeing

SPORTS UNIFORM

Uniform Requirements

Uniform is compulsory at Sacred Heart College and dress should always reflect care in personal grooming and enhance the reputation of the student and the College.

Consequences will be applied to students who show disregard to the College uniform requirements. If a student is unable to wear full and correct uniform, a note must be provided by a parent/carer. Students without a note will receive a detention.

Before a student is enrolled at Sacred Heart College, the student's parents or guardians are required to sign an Acceptance of Enrolment Form. This form states that, by accepting enrolment, parents agree to their child wearing the full and correct College uniform.

The College Uniform Shop is located at the rear of Chisholm Cottage, within the College grounds, on High Street. The Shop is operated by Noone Imagewear and is open on Tuesday 12.30pm – 4.30pm and Thursday 10.30am to 4.30pm. Phone number: 7020 2648. Uniform can also be ordered online for collect or delivery:

<https://www.noone.com.au/school/sacred-heart-college/>

Points to Note

When representing the College, travelling to and from the College, leaving the premises during College hours, College excursions, etc., students are expected to wear their uniform correctly and completely.

Terms 1 & 4 (Summer)

Students are able to manage their outer garments in Term 1 & 4. This means they can wear the College Jumper, College Navy Jacket or the College Blazer, to and from, and around the College during these Terms.

On formal occasions, the College Blazer is to be worn. (e.g. for College photos, College Masses and at events when representing the College).

Terms 2 & 3 (Winter)

Students are to wear their Blazer to and from the College. If, however, it is raining, students may wear the Navy Jacket. The Jacket can also be worn as the outer garment in the College grounds and in the classroom, over the Jumper.

We encourage the layering of the College Jumper for warmth, which should to be worn under the College Blazer during this period.

The College Navy Jacket

In addition to the terms above, the jacket can be worn on some excursions, and specific Physical Education classes.

Sports Uniform

When students are allowed to wear their sports uniform to school (or any other activity including representing the College at sport), they are required to wear 100% of this uniform. If they can not do this they must wear full College uniform (summer or winter relevant to the season).

Students - Out of Uniform

1. Written explanation from parents for the student being out of uniform, is required.
2. Decisions on exceptions to any of the above will be made by the Principal or Deputy Principals

Swimwear

The only swimwear options that apply to all College Swimming Carnivals and swimming lessons are:

Girls

1. One-piece bathers
2. Two-piece bathers, covered by a rash vest

Boys

1. Water shorts suitable for swimming
2. Racing bathers

Jewellery

Students may wear a wristwatch. Two ear piercings are permissible but should be small (5mm) plain stud earrings or sleepers (10mm in diameter) in the lobes. Small crosses may be worn around the neck but should not be visible.

Piercings & Tattoos

Students are not permitted to have visible facial or tongue piercings. Body piercing and tattoos are strongly discouraged. If in place they should be discreet and where possible covered by the College uniform. Students with piercings will be asked to either remove them, or replace with clear flat replacements, and the item will be held at the Student Office for the remainder of the school day.

Make-up / Personal Grooming

Students are permitted to wear discreet natural looking make-up. Students wearing excessive make up may be asked to remove it. False eye lashes are not allowed. Long false nails and coloured nail polish are also not allowed. Generally, students facial hair should be minimal, neat and clean. The College expects that students will be clean shaven for College Photo Day.

Hair Styles

Hair should be maintained in a way that is safe and does not interfere with participation in academic or extracurricular activities. Students are expected to keep their hair clean and well-maintained. Hair should be tied back in practical classes as a safety requirement. Considerations will be given to cultural and religious practices.

Learn. Care.
