Taryn Cawley Award to Dux of Year 11

Taryn Cawley was a student who attended Sacred Heart College from 1997 to 2002. After she graduated she studied Japanese and Criminal Law at La Trobe University.

Taryn loved her time at Sacred Heart and was able to make many close friendships which she cherished and maintained after leaving the school.

Taryn passed away in 2004 and as a way of thanking the school she loved for all her happy memories, her family wanted to recognise two students who have shown similar outstanding, personal qualities throughout the year.

The Cawley family is unfortunately unable to be with us today to acknowledge and celebrate Harrison's work across all areas of the curriculum during 2021. Despite a difficult learning year we know that Harrison has worked tirelessly to achieve a high level of success in all his studies and we would like to congratulate him on behalf of 'Taryn' and our family. We wish Harrison continued success in his future studies.

We congratulate **Jemima Cudmore** on receiving this award.

Taryn Cawley VCE Japanese Award

The Cawley family also sponsors the VCE Japanese Award.

Taryn was committed to all her studies but particularly loved Japanese and Accounting. She spoke glowingly of her overseas study tour to Japan. She also enjoyed learning from her visiting Japanese student who boarded at her family home.

The Winner of the Taryn Cawley Japanese Award is **Ulani Robert**

This student regularly goes out of her way to help those around her when they need it and shows admirable delicacy in the manner in which she quietly suggests this.

Mercy Value: Respect

This student was nominated by her teachers for her dedication to her studies and diligence in completing all her coursework. She consistently works to the best of her abilities and is a positive role model for both her peers and other year levels.
