

Prayer

*In the name of the Father, and of the Son,
and of the Holy Spirit. Creator God,
May our time together today bring us closer in
our appreciation of your steadfast love.
May we find ourselves at home with each other.
May we make investments in each other's lives.
May we offer empathy, support and warmth
to each other. And may the spirit of Mercy be found among
us and within us. Amen*

PRINCIPAL'S MESSAGE - Dr Darren Egberts

This week's prayer is taken from the staff liturgy that began Monday's Staff Faith Professional Learning Day; it reflects the wisdom of our Year 12 students, as they contemplated the nature of love, and what it means to live and learn together in a Mercy community.

I encourage all members of the Sacred Heart College community to also hold Louis Mayne-Mills (12C) in your thoughts and prayers. Next week, Louis will join almost 600 pilgrims from the Melbourne Archdiocese who are travelling to Europe as part of World Youth Day 2023. The 16th World Youth Day celebrations will be held in Lisbon, Portugal from 2 – 6 August 2023.

Staff Faith Professional Development Day

On Monday, all Sacred Heart College staff came together for a full day focused on faith development. The College was blessed to host Professor John Warhurst as the day's keynote speaker. Professor Warhurst AO is Emeritus Professor of Political Science at the Australian National University and recently has played a leading role in discussions regarding the contemporary Australian Catholic Church. Staff were privileged to hear two presentations on the Plenary Council (held in Australia in 2021 – 2022) and on the Universal Church: Pope Francis and Synodality.

Following Professor Warhurst's presentations, the College hosted Haley Marriott who gave a moving presentation on the significant work undertaken by McAuley Services for Women and Children. Staff then participated in one of several workshops on themes including the Voice Referendum, Catherine McAuley and the Mercy tradition, Music, the Campaspe River and others.

A particular thanks to a number of staff who joined us for Professor Warhurst's sessions from St Ambrose Primary School, Woodend and St Mary's Primary School, Lancefield.

Semester One Academic Awards

Congratulations to all students who received an Academic Award this morning in our whole school assembly. Thanks also to Cai Rowland and Mila Pereira who introduced the awards and explained the change in criteria by which these have been awarded. Finally, congratulations also to those students recognised as Semester One Class Captains.

Year 7 2025 Enrolment Applications

Please find below a short letter we have sent to the newsletters of the six Macedon Ranges Parish Primary Schools.

The partnership between parish primary schools and local Catholic secondary schools such as Sacred Heart College is an important one. We share the same foundations in faith and recognise parents as first educators of children.

*I am writing today as you make the fundamentally important decision of which secondary school is right for your child. I am aware that there are local independent schools that are asking for early enrolment commitments to guarantee places at Year 7. Given that, it is important to note that the criteria for enrolment at Sacred Heart College (and all Catholic secondary schools in the Melbourne Archdiocese) gives priority to students who are enrolled in a parish primary school. Students who have received the sacraments have a higher priority, but we expect all students who submit an enrolment application by the closing date **(Friday 28 July 2023)**, and are enrolled at a parish primary school, will be offered a place for Year 7 2025.*

If you have any questions on this, please contact Mrs Denise Lawrence (Sacred Heart College Registrar) on 54211238 or dlawrence@shckyneton.catholic.edu.au.

At The Heart Publication

Please [click on this link](#) to our Sacred Heart College publication, 'At The Heart'. This fabulous booklet celebrates the great range of student activities that occurred in Semester One.

Yours in Mercy,

Dr Darren Egberts
Principal

Bereavements - Your prayers are asked for the following family who is mourning the passing of a loved one recently. The Clark family on the passing of Alan Reeves, grandfather of Jamie Year 12C.

Our thoughts are with you all at this sad time.

 - **VTAC Parents Information Evening 7:00pm**

DEPUTY PRINCIPAL - STUDENT WELLBEING - Julie Mortimer

Sacred Heart College is committed to promoting the safety, wellbeing and inclusion of all children. Further information about Child Safety at SHCK can be found on the College website. <https://www.shckyneton.catholic.edu.au/our-college/child-safe/>

Child Safe Week

Last week, Sacred Heart College held Child Safety Week. Having this designated week each year provides the opportunity for students, staff and parents to be updated with the current status of Child Safety. Our Victorian Child Safe program has now become part of the national program, Child Safety, and as such has expanded to include more standards and an evolution of focus. In the original Child Safe, compliance was the major priority, however, the second incarnation focuses on building a safe and supportive school culture.

All of our students were sent the Child Safety update as a presentation, which they worked through in class with their Homeroom Teacher, and at the end they acknowledged that they have heard this important information. Their presentation focused on their right to be safe, at school, at home and in the community, and who they can go to or how they can report if abuse is happening to them or someone they know. Staff participated in their update, where a workshop identifying current practices that come under Child Safety were happening already in the College, as well as brainstorming future ideas and directions we can possibly work on. These ideas will form the basis of our future work around Child Safety.

A presentation on Child Safety updates has now been sent to all parents who have access through PAM. Please take the time to familiarise yourself with the changes that have taken place and click on the acknowledgement that says you have received this information. This along with the student and staff information, forms part of our ongoing development of Child Safety awareness through our College Community.

Learn. Care.
flourish

Enrolments Closing Soon.

Enrolments for Year 7 2025 close on
28 July 2023 (students currently in Grade 5).

E: dlawrence@shckyneton.catholic.edu.au

DIRECTOR OF FAITH AND MISSION - Sam Weir

Introduction to the artwork: 'Mercy' by Aimee McCartney

(Taungurung, Wotjobaluk, Wemba Wemba and Boon Wurrung)

It is a pleasure to introduce our new College artwork. The painting, simply titled 'Mercy', is the work of artist Aimee McCartney, a proud Taungurung, Wotjobaluk, Wemba Wemba & Boon Wurrung woman who lives and works on Gunaikurnai Country.

Aimee's painting offers a representation of Sacred Heart College embedded within the surrounding country. It is a piece that speaks to us about the enormity of time, and how the landscape itself breathes into life stories of the past, and stories of the future. As well as being a remarkable work in its own right, this painting will also form the basis of some new signage for Quambi, which is due for completion later this year.

A major focal point of the artwork are the waterways of the Campaspe River and Post Office Creek. Together with the surrounding waterholes, these nourish and sustain the life and spirit of the land, and the communities that gather on it.

Framing the image are the mountain ranges for which our region is well known. The mountains, or "Ngarraks" in the Taungurung language, are a source of knowledge, history and truth. Their contour lines denote layers of wisdom over time past, and into time future.

There is much to say about this rich, vibrant and deeply spiritual work of art, and we expect that it will serve as an ongoing source of conversation and inspiration for our community.

Thinking about 2024 already!

Semester Two has just begun, but our school processes are already preparing students for what lies ahead in 2024.

Last week we ran the Zoom information session for parents/guardians of our current Year 10 students as they begin the process of selecting their subjects for VCE. This was well attended, and we thank those who were able to participate. It's a big step for the Year 10s, so the better informed that they are, and those who support them are, the greater chance of successful choices.

There is a Zoom evening session coming up on Tuesday 25 July for the parents/guardians of our current Year 9 students about their options as Year 10s in 2024, so please watch out for that.

Our Year 12s only have about 50 school days left for the year before their exams start (for those in VCE). As they learn about the VTAC process for applying for tertiary courses, they should feel well supported by their teachers and the careers team who are all looking out for them.

Semester One Awards of Academic Achievement

Finally, congratulations to all students who achieved an academic award for their efforts in Semester One. Keep in mind that the criteria for these awards were:

- Substantial growth in learning
- Determination and perseverance
- Independence of learning

Our purpose was to recognise students who give their all, regardless of the final mark that they achieve.

Year 7

Charleigh Ager
Jacob Burnett
Vincent Caruana
Archie Devey
Jarvis Lander
Isla Munro

Moving Teens from Anxiety to Resilience

Members of the local community are invited to attend this event.

Guest Speaker: Dr Jodi Richardson

As parents we play the most important role in helping our children when they experience mental health challenges, including anxiety. Whether they experience the everyday variety of anxiety that comes with being human, or anxiety that gets in the way of school and life - there are skills and strategies we can teach our children to not only help them cope, but thrive. Now, and over their lifetime. Anxiety is common, treatable and there's so much we can do as a parents to help. In this relatable and engaging presentation parents learn:

- What is anxiety
- How to identify anxiety and teach your child to recognise it
- How to know when anxiety is getting out of hand
- How behaviour patterns develop and lead to avoidance
- What anxious and/or distressed children need most from their parents
- Practical strategies to dial anxiety symptoms down

Use QR code to book

When: Tuesday 1 August

Time: 7:00 pm - 8:30 pm

Where: Mary Moloney Theatre Sacred Heart College, Kyneton

Tickets: This is a free event but seats must be booked via: www.trybooking.com/CETGQ

DIRECTOR OF FAITH AND MISSION - Sam Weir

Young Mercy Leaders Pilgrimage 2023

Over the past three days, Year 11 students from Mercy schools around Australia have gathered in Melbourne to take part in the Young Mercy Leaders Pilgrimage. Our own delegation of students has enjoyed time in conversation with their counterparts from Victoria and interstate, as together they have deepened their appreciation of the Mercy charism. We're looking forward to hearing about all of their experiences on the pilgrimage, as they share with us the wisdom gained from time in reflection about what it means to a young Mercy leader. Special thanks are offered to Mrs Andrea Knight and Mrs Barb Collins for accompanying our pilgrims on their journey.

Subject Selection: 2024

The 2024 subject selection process is well underway, with Year 11 (2024) selection starting their Subject Advice interviews this week. Year 10 (2024) will commence their process Tuesday 25 July. Please refer to the table for a summary of the key dates.

All Subject Selection information will be available via PAM and SeniorSchool@SHC google site. Please refer to the table below for key dates for each Year level.

Please note, students confirm their selections in the Web Preference program require a parent/carer email and a student signature. This is a new step in the selection process and one the College has introduced to include parents/carers.

Subject Selection Step	Year 11 (2024)	Year 10 (2024)
Student Info session	Thursday 13 July	Tuesday 25 July
Parent/Carer Info Session	Thursday 13 June 7:00pm via Zoom	Tuesday 25 July 7:00pm via Zoom
Web Preference & Application to Accelerate Open	Wednesday 19 July	Monday 21 August
Careers Interviews	Wednesday 26 July to Wednesday 9 August	Thursday 10 August to Monday 21 August
Web Preference & Application to Accelerate CLOSE	Wednesday 9 August	Monday 28 August at 3:30pm
Acceleration decisions sent via SIMON	Friday 18 August	Friday 8 September

Reminder

Set up your *My School Connect* account for canteen ordering for the start of Term 3.

Flexischools will no longer be in use at Sacred Heart College.

Families have been sent an email from *My School Connect* containing an activation link.

If parents have any queries or issues, please contact the support area by the following link: <https://myschoolconnect.com.au/contact>

Year 9 Religious Education Students and the Rosary

Last term, Year 9 Religious Education students studied Mary the mother of God, as well as the history and significance of the Rosary.

As part of this study, they crafted and prayed their own unique one-decade rosary. Pictured here are some of the rosary beads crafted by 9D.

CAMPS INFORMATION — YEAR 9

UPCOMING YEAR 9 CAMP - WEEK 10 THIS TERM

As you are aware, this year the Year 9 Camp will be to an exciting city experience in Sydney! The camp will be run by the Urban Challenge Company, a Sydney based company well experienced in offering amazing city experiences for young people.

[The Urban Challenge Company](#)

Things to Remember:

- Parent Zoom - 16 August, 5.30pm. (Details and link to follow closer to date)
- Camp Coordinator – Damien Zanic
- Student related concerns – Angelica Violante (Year Level Leader)
- There will be no classes at the College for Year 9 during Camp Week

More information will be sent to Year 9 parents in the coming weeks.

SHCK has recently welcomed a new Year 12 student for 5 weeks. Louis is joining us from our sister school Notre Dame du Roc, and is the son of Emmanuel, the French teacher who has been organising the exchange for 10 years. Here is a little introduction Louis has written, in both French and English.

Bonjour, je m'appelle Louis Thielin, j'ai 17ans et 18 le 29 septembre. Je suis français et j'ai étudié au lycée Notre Dame du Roc à La Roche Sur Yon. J'habite en Vendée, un département qui est situé dans la partie Ouest de la France, près de Nantes et La Rochelle. J'ai une sœur qui s'appelle Alice et qui a 20 ans et un frère, Antoine qui a 23 ans. Ils sont tous les deux venus en Australie, comme mon père qui s'appelle Emmanuel et qui viens tous les 2 ans. En France, j'aime faire du sport comme le tennis, la course à pied et le judo. J'ai aussi la chance d'habiter près de la mer ce qui me permet de pratiquer des sports nautiques comme le surf avec mes amis. De plus, j'adore voir mes amis et passer du bon temps avec eux. L'année prochaine je vais étudier l'économie pour rentrer ensuite dans une école de commerce. Pour cela j'ai besoin de m'appuyer sur un très bon niveau d'anglais c'est pour cela que je suis ici pendant 1 mois. Je suis arrivé le dimanche 9 à 18 heures en Australie après avoir passé 20 heures dans l'avion. Depuis mon arrivé j'ai pu profiter des paysages offerts par ce pays en faisant notamment connaissances avec les kangourous.

Hello, my name is Louis Thielin, I am 17 years old and 18 on the 29th of September. I am French and I just finished my studies at Notre Dame du Roc (French sister school) in La Roche Sur Yon. I live in Vendee, a department located in the western part of France, near Nantes and La Rochelle. I have a sister, Alice who is 20 years old, and one brother, Antoine who is 23 years old. They both came to Australia a few years ago, like my dad, Emmanuel, who comes every 2 years. In France I love practicing in sport like tennis, running and judo. I am also lucky to live close to the beach, which allows me to do water sport like surfing with my friends. Moreover, I love meeting my friends and enjoy spending time with them. Next year, I will study economics, to apply for business school later on. For that I need a very good level of English, and it's for this reason that I am spending a month here. I arrived Sunday 9th at 6pm after 20 hours on the plane. Since my arrival, I have enjoyed the beautiful landscapes of this country, and I also got to see kangaroos.

Expressions of Interest - France 2024

After the success of the recent visit from our French sister school, we are hoping to resume the SHC biennial study tours to France from 2024.

At this stage, we are seeking expressions of interest from families to gauge the viability of a 2024 trip. The trip would be open to all students studying French in Years 10 and 11 in 2024. Proposed dates are 16 to 30 March 2024. Initial costings for the trip are around \$7000 - \$7500. All efforts will be made to keep costs as low as possible.

If you are interested in receiving further information, please [click here](#) to register your interest. Please note that this will not commit you to the trip, but will allow us to directly communicate with you about upcoming parent information sessions.

The Jarlmadangah 2023 trip was an experience we will never forget. The immersion into an Indigenous community was eye-opening. We learned so much about ourselves, our group and about Aboriginal culture.

We started our twelve-day trip in Broome. We enjoyed watching a beautiful sunset at Cable Beach. The next day, we visited the Sisters of St John of God Museum where we learned about the history of education in the Western Australia Aboriginal communities through the help of the Irish nuns and German brothers. Although we heard about the tragic stories of the past, we learned how the nuns improved the lives of those living in leprosy camps and orphanages. We discovered that the museum plays an important part in assisting people of the Stolen Generations to locate their families through the photos collected by the museum.

We then travelled by 4WD to Lombadina where we were able to experience life in an Aboriginal community. Lombadina was a different experience to Jarlmadangah because we were just visitors. In Jarlmadangah we were part of the community. Our experience at Lombadina was beneficial because it gave us an insight into what different communities are like. While we were there we also explored Beagle Bay with its beautiful church with the pearl shell decorations. After our stay at Lombadina, we started the drive to Derby. When we arrived we visited the prison boab, which has great importance to the communities of the area. After spending a night there, we were all excited as we were finally heading to Jarlmadangah. On the way, we were fortunate enough to explore Tunnel Creek where we saw a beautiful cave which was part of an ocean reef system.

Once we finally arrived in Jarlmadangah we were greeted by the Principal, Miss Wiki. We experienced a warm welcome from the community which included hugs for all of us from Miss Wiki. We stayed in Jarlmadangah for five days and enjoyed teaching the children the lessons we had prepared, and creating individual connections with each of them. We were fortunate to be taken out to country many times and spent more time with the children and community members who shared their stories and wisdom of the land, and broadened our understanding of their culture. Many tears were shed when we left Jarlmadangah and drove back to Broome. We ended our trip with camel rides at sunset on Cable Beach.

This incredible experience would not have been possible without the hard work of our teachers Mr Webb and Ms Tanner. We would like to thank them for looking after us and for organising the trip. We have all come away with a deeper understanding of the Nyikina Mangala Community in Jarlmadangah. They shared so much about their culture and connection to the land with us. We are all extremely grateful to have had this invaluable experience. It has changed our lives and broadened our understanding of Aboriginal culture in Australia.

Our College Ensembles rehearse weekly and perform several times each year. Participation in the College’s Annual Ensemble Concert teaches students the skills of making music with other people, which is a very different skillset to simply learning their instrument. After two postponements of our annual Ensemble Concert, it will now go ahead on **Thursday 27 July 2023**. All performers are required to be at school no later than 6:40pm, wearing full College uniform. The concert will commence at 7:00pm, in the Mary Moloney Theatre. All members of the wider College community are very welcome to attend.

Throughout the day, all performers will be required to attend a rehearsal in the Theatre to familiarise themselves with the performance environment and protocols. Students will be forwarded a copy of this schedule. We look forward to seeing you for what is sure to be an excellent concert!

A number of our younger students have been busy performing lately. Year 7 musician extraordinaire, Charlie Tracey performed a lengthy set of songs at the Trentham Market, accompanied by our College Accountant, Mr Tim Walsh. Charlie is a wonderful young singer/ guitarist, and no doubt we’ll see and hear a lot more of her over the next few years!

Our Academic Awards Ceremony was made even richer by the musical input from year 8 students Inga Foerster (cello) and Ameliah Melville (electric bass) who performed unique and cleverly-structured arrangements of The Cure’s *The Love Cats*, and Babumara (a Serbian tune). These girls think very differently about their musical creations, and are incredibly creative!

SPORTS REPORT

State Cross Country - Damien Zanic

Congratulations to the students who represented the school in the Vic State Cross Country Championships at Yarra Valley Racecourse. With some significant competition at this level, it was terrific to see all students (boys & girls) run so well in the muddy conditions. It was so exciting to see Tyler Fynch (Year 7) achieving second place at this level. Tyler, Jett and Michael also come second in the teams event for SHC!

12/13 Boys 3km

Tyler Fynch	2nd/100 11:16
Michael Brown	29th/100 12:31
Jett Agar	75th/100 13:16

U14 Girls 3km

Inga Foerster	59th/97 15:24
Lucy Killick	67th/97 15:45

U15 Girls 3km

Sarah Fitzpatrick	8th/90 13.53

PARENT REMINDER - SIMON EVERYWHERE APP

Free – SIMON Everywhere – Download the App now...

The simplest way to use PAM and keep up to date with activity permissions, sick passes, absences, and your child's education is to download the SIMON Everywhere App. If you need some help setting this up, please reach out to our Administration Team, we would be happy to help you. We want this module to be your one stop shop for all things Sacred Heart College. If you have any suggestions, feedback, or issues regarding PAM please contact us via email – pam@shckyneton.catholic.edu.au

Emailing your student's teacher/s via SIMON Everywhere:

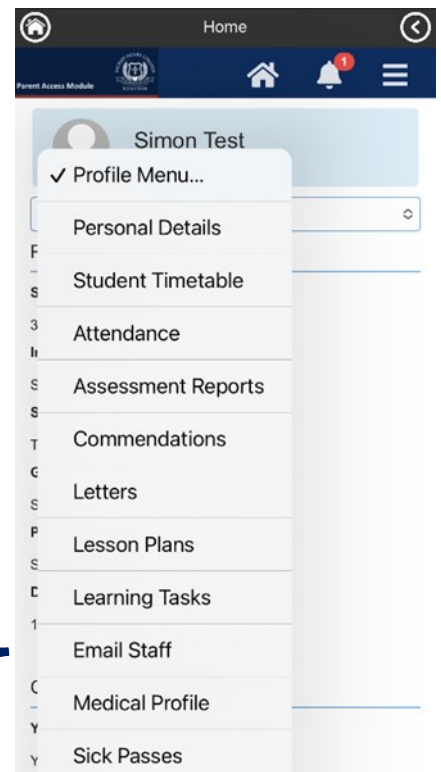

1.

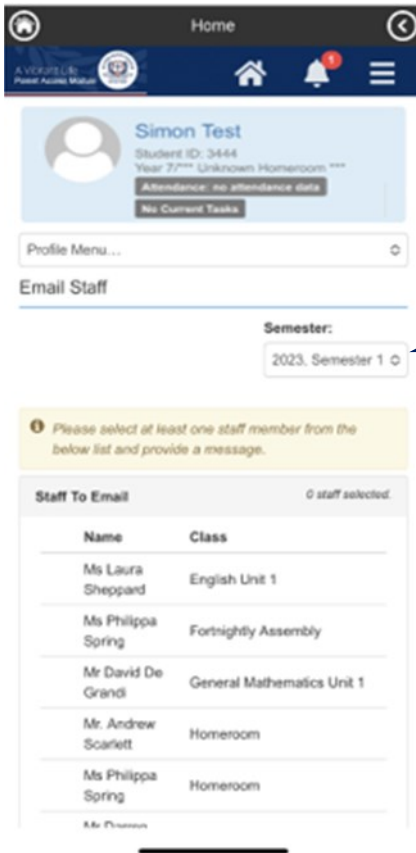

Click on the Home button. Then select your students name.

2.

Select the profile menu, and then select Email Staff from the drop-down menu.

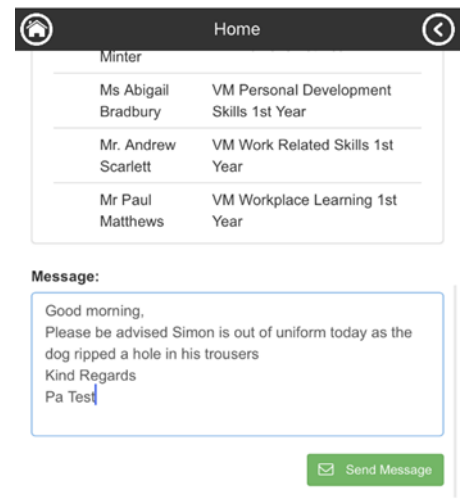

3.

Select all staff you wish to send your email to by clicking on their name.

Note: the list will only include your students' teachers.

4.

Type your email in the message box and when complete select Send Message

Reminder: All student full day & partial day absences, late arrivals and early leave passes must be lodged via PAM.

If you are having issues with using the system, please reach out to us on 5421 1200 and speak with General Reception or via pam@shckyneton.catholic.edu.au

Heard it on the Grapevine

Student Achievements

NATIONAL BASKETBALL CHAMPIONSHIPS

On 30 June two of our Year 9 students, Sam Haslett and Alex Gray, flew to Perth as part of the Victorian U16 Boys Country State basketball team to compete in the 2023 Footlocker Basketball National Championships. This tournament comprised both Country and Metropolitan U16 teams from most states around Australia in both boys and girls divisions, and was effectively a showcase of the best junior basketball talent coming down the pipeline.

The boys spent ten days in Perth, playing with and against the best U16 basketballers in the country. Both boys played fantastic basketball over eight games culminating in fifth place out of thirteen teams. The future is very bright indeed for both these boys. We congratulate them for their achievements on the court to date, and wish them all the very best for their basketball futures.

Well done Sam and Alex!

If you would like to highlight your student's achievements outside of school, please email: newsletter@shckyneton.catholic.edu.au

CAREERS NEWS - Karina Wheeler

2023 UNIVERSITY OPEN DAYS

[View PDF for 2023 Open Day details for Victorian](#)

[Universities / TAFE and questions to ask.](#)

This is a great resource for students interested in transitioning to higher education (Uni/TAFE). We highly encourage visiting to assist with making informed choices about study options after Year 12.

At open days you get to:

- Explore campuses and facilities. Get a feel for higher education.
- Speak with current students / lecturers about specific study areas, what
- certain courses are like & what is required to get into them.

Things to think about at Open Days:

- If you have to move away from home, where are you going to live?
- Will you be happier studying in a large city institution, or a smaller / rural institution?
- Are any specific pre-requisites required? Are there any scholarships I can apply for? How strong are the links with industry?
- What employment options are there once the course is completed?

On arrival get a map and visit relevant faculties or schools:

- Walk around the campus and have a good look around, see what facilities and services are available.
- Ask lots of questions!
- Check out the residential colleges to see what living on campus is like.

Good luck - find out as much as you can,

The Careers Team
