

Prayer

*Hail Mary, full of grace,
The Lord is with you.
Blessed are you among women,
And blessed is the fruit of your womb.
Holy Mary, Mother of God,
Pray for us sinners now
And at the hour of our death.
Amen*

PRINCIPAL'S MESSAGE - Dr Darren Egberts

This week's prayer recognises the Feast of the Assumption on Monday and its significance as a Holy Day of Obligation for the Catholic Church. The dogma of the Assumption of the Blessed Virgin Mary is one of the four key Church teachings on the mother of Christ and was promulgated by Pope Pius XII in 1950:

We proclaim and define it to be a dogma revealed by God that the immaculate Mother of God, Mary ever virgin, when the course of her earthly life was finished, was taken up body and soul into the glory of heaven.

Principals Association of Victorian Catholic Secondary Schools (PAVCSS) Conference 2022

Over the last three days, I have been privileged to attend the first PAVCSS Conference for three years at the RACV Club, Healesville. This annual conference is open to each of the 103 Catholic secondary school principals across Victoria with around 60 in attendance this week. The keynote presenter for the three days was Professor John Warhurst who has written two books on the recent Australian Catholic Church Plenary Council. John explored what the Plenary Council was and what influence it may have on the future of the Australian church. In particular, he examined the vision of Pope Francis of a 'synodal Universal Church', where collaboration and discernment are emphasised rather than the divine rights of authority.

Year 10 Ski Camp

Next week sees our Year 10 students and staff heading to the Victorian Alps for the first ski trip since 2019. It is a prospect that has many Sacred Heart College households (including my own) filled with excitement and anticipation. I encourage all Year 10 families to pay particular attention to the Ski Trip Operoo that has been distributed and the Covid precautions that are in place for all involved.

Yours in Mercy

Dr Darren Egberts
Principal

CALENDAR DATES

- Mon 22/8**
- English and Book Week
 - Year 9 Bootcamp in PE Classes 22/8 to 2/9
 - **YEAR 10 ALPINE CAMP - ALL WEEK**
 - Years 7, 8 & 9 Brainstorm Productions Presentation
 - Production Rehearsal 3.30pm - 5.00pm

- Tues 23/8**
- Mickleham Year 8 Boys/Girls Basketball
 - Year 8A, C & D Maths Challenge
 - Period 5 3.35pm to 5.00pm
 - Junior Chef 2022 - Round Two

- Wed 24/8**
- NMR Senior Girls Basketball
 - Maths Tutorials 3.30pm to 5.00pm
 - Production Rehearsals

- Thur 25/8**
- **YEAR 9 REFLECTION DAY**
 - Morning Tea for New Families
 - Debutante Ball Practice 4.00pm to 5.30pm

DEPUTY PRINCIPAL - LEARNING & TEACHING - *Debra McNaughton*

Term Three can seem like the longest Term as we are in the depths of Winter, however the subject weeks brighten up even the gloomiest weeks.

Recently we have enjoyed Arts Week and STEM Week with thought-provoking and fun activities, competitions, and workshops. Next, we have English and Book Week. These allow students to further explore the areas that interest them during the period in which the Year 9 – 11 students are completing their subject selections for 2023.

Thank you to those who attended our virtual information sessions for parents of Year 9 and Year 10 students recently. We were very pleased to see how much interest there was, and we hope we were able to clarify the process and options available to students in the Senior School.

Interim Reports and Student Progress Interviews

Semester Two Interim Reports will be released on Tuesday 6 September. A reminder that the focus of these is the Work Habits of the students.

Bookings will open for the Student Progress Interviews on 7 September and will be made via PAM. The interviews will occur through Teams on 13 and 15 September from 5:00 pm – 7:00 pm and on 16 September from 9:00 am – 1:00 pm.

As always, please don't hesitate to contact teachers at any time throughout the Term.

SAVE THE 'GAT' DATE!

The General Achievement Test (GAT) has been scheduled for Wednesday 7 September. This year it consists of two sessions (am/pm). All students enrolled in Unit 3-4 sequences and Senior VCAL are required to attend school on this day. All students must report to the Atrium by 8.45am for Session One which runs from 9.30am – 11.45am. The afternoon session runs from 1.15pm- 3.00pm, only VCE students are required for this session. All VCE classes are cancelled on this day. A brochure with further information for Parents is linked <https://www.vcaa.vic.edu.au/Documents/GAT/VCAAGATParentInformationSheet.pdf>. Further information will be provided via Operoo this week.

VCE PRACTICE EXAMINATIONS

Practice examinations will be conducted for students in the second week of the holidays, Monday 26 – Thursday 29 September. The purpose of our practice exam program is to provide our students with the opportunity to complete an exam for each of their subjects under the same conditions that they will experience in their VCAA end of year exams. Our VCAA supervisors will be employed to facilitate both the practice and end-of-year exams. Exams will be marked by teachers with extensive feedback provided to students.

The students will be provided with a Google form link in Week 5, to allow them to nominate their preferred times for completing their practice exams. An Operoo will also be generated with further information.

Check upcoming Newsletters for some revision and study strategies, which will also be provided to students over the coming weeks.

You are invited to attend the

Annual Sacred Heart College Father's Day Breakfast

Individually boxed breakfast will be provided.
Any special dietary requirements please email
shcrsvp@shckyneton.catholic.edu.au

There will be two sessions
7:00am - 8:00am
8:00am - 9:00am

Please book via Trybooking on the link below
and include your student/s in the booking.
www.trybooking.com/CBGNS

DATE: Friday 2 September
7:00am-8:00am & 8:00am-9:00am
VENUE: Arthurson Atrium
RSVP: via Trybooking by
Tuesday 30 August 2022

'THE DREAM'

We are very excited this year to announce our first school production '*The Dream*' at Sacred Heart College in a long time. Due to the pandemic, we haven't had a school production since '*The Addams Family*' four years ago, so students are really keen to perform again on stage.

'*The Dream*' is a 'hybrid' production, with many students working in the show in drama classes and also after school. Our brief was to get as many students involved as possible, having fun and presenting something unique, which we think we've achieved.

We are extremely proud of the work students, and staff, have achieved so far, and how they've supported each other to get this play ready in a record amount of time. Next year, we are presenting a full school Production, which we plan to start work on at the end of this year.

'The Dream' is a reimagining of Shakespeare's arguably most well-loved play *'A Midsummer Night's Dream'*. A group of more than 50 students and staff have been hard at work all of this term, and some of last term, working out how to present a Shakespeare play, in a very short amount of time.

Both Year 11, and Year 9, Drama classes have been essential to this process, as the students have taken on the bulk of the named characters, and have been spending their class time working out how to interpret Shakespeare, for a modern audience. We also have students from Year 7 to 10 playing other characters and being involved as dancers and musicians.

One of the exciting things about doing Shakespeare, is taking a play that was written 500 years ago and making it somehow 'fresh' for a modern audience.

'A Midsummer Night's Dream' is about a pair of lovers who flee an arranged marriage and escape to the forest, ending up getting caught in a power struggle between the king and queen of the fairies. On its release, Shakespeare's play would've been a 'riot' for the attendees. There is magic, mischievous fairies, fight scenes between lovers, slapstick comedy, dance and music.

Most people don't know that Shakespeare apparently wrote the play while he was writing *'Romeo and Juliet'* and there are many similarities between the plays; lovers fleeing societies rules, mistaken identity and obviously the role of women and men and the constraints of gender, which was very relevant in a time where women lacked power.

All of the female parts in Shakespeare's plays were actually played by young men!

The climax of *'A Midsummer Night's Dream'* features a group of inept actors performing a romantic tragedy for gathered royalty, in a scene that is very similar to the serious ending of *'Romeo and Juliet'*. On the surface, it looks like Shakespeare was ripping himself off, but he was actually using a storyline 'borrowed' from a Roman playwright, to present a similar scene in both plays, one for comic and the other for tragic effect.

We would love the Sacred Heart community to get behind the students in this play and come along on September 1, 2 and 3 to be part of this fantastic, 'once in a lifetime' event.

Check out the new trailer for the play below and make sure you've subscribed to the Sacred Heart 'Facebook' page, as we'll be releasing a lots of videos over the next few weeks.

Get your tickets now!

<https://www.youtube.com/watch?v=agClKrGU-9o>

Year 10 Reflection Day

It was wonderful to welcome back Chris Doyle from Karisministries, Sydney, to work with our students. The two years away meant that this Reflection Day was even more special.

Chris entertained through music and singing but also challenged our students to be the best versions of themselves. There were great high jinks, sing-alongs, dance 'offs' and yet the reverent moments of stillness, silence and prayer were deafening. The day was a time to build relationships with peers, teachers and to be reminded that we only have one life, and that one life deserves to be a great life ... it's up to us. Thank you to all our students and staff who entered into the day with full heart, mind and voice.

Chris ended the day with Bernard Fanning's song *I Just Want to Wish You Well*. Sung in full voice to conclude the day was the perfect prayer.

School Cyber Security Update – Matthew Shaw, Business Manager

Recently some school community members have received scam emails purporting to be from Sacred Heart College. These scam emails have been generated by an offsite email server, and due to enhanced cyber security works undertaken in recent months, do not represent a direct threat to or within the school network.

Please see below information which may assist you in improving your cyber security awareness, and decreasing the chance of a successful attack by cyber criminals on our community.

Cyber Security Information – Brendan Murphy, ICT Manager

Email is an essential part of the College's everyday communications with parents, students, and the wider community. Unfortunately, it is also one of the most common methods that hackers use to attempt to gain access to sensitive information. More than 90% of data breaches start with a phishing attack. Phishing uses fraudulent email messages designed to impersonate a legitimate person or organisation. They attempt to trick the recipient into downloading harmful attachments, or divulging sensitive information, including passwords, bank account numbers, and social security numbers.

Phishing scams typically attempt to take advantage of you by:

- ✦ Delivering file attachments that can infect your computer with harmful software
- ✦ Enticing you to click on links to websites that infect your computer with harmful software
- ✦ Tricking you into sharing your username and password so hackers can gain access to your network or other sites

Ensuring you understand and practice good cyber security is the best way to combat cyber threats. The Australian Government's Australian Cyber Security Centre has information about common online security risks, with simple advice on what you can do to protect yourself and your family.

JUNIOR R E NEWS - Victoria Mackay, Religious Education Learning Area Leader (Y7-Y9)

Year 9 Religious Education- Stand Up and Speak Out

This term the Year 9 Religious Education students have been exploring the topic 'Stand Up and Speak Out'.

This study has involved looking at prophets in the Old Testament and then looking at modern day prophets. Part of this exploration has been dedicated to learning about the difference prophets have made, or will make, to our world. Here are posters made by 9D on the modern-day prophets they chose and the impact they have had on our world.

SPORTS REPORT

Intermediate Soccer - Lauren White

Our Intermediate Girls Soccer Team did very well through sun, wind and rain last week, winning their first contest well. Unfortunately, however, they fell behind in the last game after losing a key player to injury.

At the end of the day the girls pushed hard and showed lots of teamwork and determination. Well done girls!

NMR ATHLETICS - Damien Zanic

A great day had by all, albeit a typical wintery Melbourne day. We had close to 80 students compete, which is the highest amount in my six years at the school. Full credit to all the students who were very keen to participate in tough conditions. Thanks to Ms Duffy, Ms Noonan and Mr Williamson for their support on the day. We look forward to the NMR round on Wednesday 31 August. Students will be notified very soon if they have been successful in reaching the next stage. We are looking at about 50-60 students progressing on.

Overall results:

Sacred Heart 2972 pts - Hume Grammar 2501 pts - Kyneton SC 1443 pts - Craigieburn 422 pts

Individual awards:

13yo Female Champion
14yo Female Champion
15yo Female Champion
16yo Male Champion
17yo Male Champion

Anna Elliott
Catherine Mahony
Matilda Robinson
Saxen Brooks
Harrison Sheahan

On Tuesday 2 August, the final round of the Galway Debating Competition for the year took place at Sacred Heart College.

Sacred Heart was represented by a team in each of the three divisions. Our junior team – Elizabeth Hooper, Holly Alderton and Harper Constable – acquitted themselves very well. Their prepared topic ‘Should parents have the right to view their child’s phone messages?’ managed to stir up a couple of hornet’s nests. Our intermediate team – Sophie Dunn, Sylvie Rigby and Mila Pereira – came second in the overall division.

They took the victory in their prepared debate ‘Does owning stuff make us happier?’ and were only just pipped at the finish line in their surprise debate ‘Is Santa Claus a justifiable deception?’ Our senior team – Sam Hanna, D’Arcy Egberts and Bella Trethowan – were outstanding role models for their junior peers on the day. They debated skillfully and came very close to a win for their prepared debate ‘Is space exploration a waste of money?’ Besides our nine debaters, a further twenty students assisted as either timekeepers or chairpersons on the day.

A special mention to Nic Hanna, who handled the scorekeeping and overall logistics on the day with great aplomb. Congratulations to all members of the Sacred Heart Debating team and we look forward to another great year in 2023.

Heard it on the Grapevine

Student Achievements

Taylor Cole, Year 11C, has just returned from 10 days in Darwin where he competed in ‘The Festival of Clays’ shooting competition. He won two firsts and a was awarded 1st in the Juniors and second overall for the weekend!

Result:

- First Day- 50 Target 5 Stand- 1st Place Juniors
- Second Day- 100 Target Under and Over- 2nd Place Juniors
- Third Day- 75 Target Side by Side- 1st Place Juniors
- Overall Weekend- 1st Juniors

Well done Taylor, this is a wonderful achievement!

Are you interested in helping your child to learn a language? There are many game-based apps available that allow you to memorise vocabulary or learn a new script. We use many of these in class - ask your child to show you Quizlet, or Booklet. For parents, there is the option of Duolingo. It's a language learning app that provides quick, bite-sized language lessons for learning on-the-go. It's a great way to model a life-long love of learning. Duolingo recently celebrated their 10th anniversary and published an article about the joys and benefits of language learning. You can find the article [here](#). I encourage you to share the article with your young language learners.

This week parents of all Languages students in Years 8 and 9 will have received a letter regarding the benefits of studying a language. Please take the time to read this letter and discuss the possibilities as the subject selection deadlines approach. If you have any questions about studying a language at SHC, please don't hesitate to contact your child's language teacher or myself at ktwilley@shckyneton.catholic.edu.au.

Exchange Student - Artemis Report

Our Year 9 French students were lucky last week to listen to a French presentation from Artemis, our exchange student. She talked about her life in France, including her family, her hobbies, her school and Saintes, the town she is from. Students were asked to ask a couple of questions each, one in French, and another one in English. It was a great experience for them to hear and chat to a 'real' French teenager and practice their language.

I have been in Australia for the past 3 weeks now and I have noticed some differences with France. Here, people are more patient and more adaptable to situations. In France, days are longer and shops are closing much later. Australians drive on the right side and the French drive on the left side. It is super surprising at first! The lunch break is so short in Australia compared to France. The relationship between students and teachers is much less formal than in France. Here are some differences that I was able to see during my stay so far.

Je suis en Australie depuis 3 semaines maintenant et j'ai remarqué des différences avec la France. Ici, les gens sont plus patients et s'adaptent plus vite aux situations. En France, les journées sont plus longues et les magasins ferment plus tard. Les australiens conduisent à droite alors que les français conduisent à gauche. C'est super étonnant au début ! La pause le midi est également beaucoup plus courte en Australie. La relation entre les élèves et les professeurs est également beaucoup moins formelle qu'en France. Voici certaines différences que j'ai pu voir pendant mon séjour.

[If you would like to read Artemis's Powerpoint Presentation click here.](#)

Year 8 Japanese Kendo Incursion

Last week Year 8 students were learning about Club Activities in Japanese schools. We welcomed Ben Sheppard, from Nanseikan Kendo club. Sheppard Sensei holds a Renshi 6th Dan in Kendo, and will travel to Japan next year to attempt 7th. You cannot obtain higher than 5th or 6th in Australia without going to Japan.

The students had studied about kendo in Semester 1, and this was a great opportunity to see the history and theories in practice. Kendo translates as the 'way of the sword' and has been developed over many hundreds of years from Bushi and Samurai for use in one on one combat.

Students learned the cultural way to start and end Kendo, that is with a bow. We learned how to do this both standing and sitting in seiza position. Also how to ask 'please teach me' and 'thank you'. Students learned how to walk, using a kind of sliding action, how to move forward and back, how to correctly pull their sword out and put it back, and be in the kamae (starting position). Then they were taught how to maintain focus and control of their swords, both on their own and with a partner. Using your voice his also a huge part of many martial arts, but particularly in Kendo, so students demonstrated this really well. Finally, one class even had the opportunity to hit Sheppard Sensei on the head with his armour on. This was a great highlight for many! Sheppard Sensei was a great teacher. So many students came up individually at the end of the lesson and said that they are interested in taking up Kendo, and were wondering where they could practice.

The student really enjoyed learning about and participating in Kendo. It was a great opportunity to bring language and culture together. Students are encouraged to continue with their language and cultural journey in Year 9 and beyond. Finally, we would like to thank the PE staff and classes for allowing us to use QUAMBI, when they normally would have practical classes in there. If any families are interested, this is the Kendo Club that Sheppard Sensei teaches at: [Nansei Kendo Club](#) or [Ballarat Kendo Club](#)

Book Week and English Week 2022- Dreaming with Eyes Open 22 - 26 August

What a bumper week we have coming up! See the poster below for a run down of all the activities we have planned. Further details will be in Daily Messages.

DRESS UP Thursday 25 August - Gold coin donation for Jarlmadangah.

We are so excited to offer students the chance to pay homage to their favourite book characters! Please come dressed as your favourite book character on Thursday 25 August- see below for additional information*. Students will gather in the library at lunchtime for a traditional book parade. There will be prizes for best dressed.

The gold coin donation will be used to purchase picture books for the Jarlmadangah immersion students to give to the Nyikina Mangala school when they visit later this year.

***Students are encouraged to be sustainable with their costumes and make something at home or borrow or repurpose items. They also need to be mindful of lesson requirements for the day and will need to dress appropriately for class and practical lessons.**

Rapid Antigen Test – RAT

Boxes of RAT's are being stored in student's lockers and are being conducted in classrooms and toilets. Please encourage your child to bring their RAT's home. RAT's should only be performed through First Aid.

If your child requires any further RAT's, please ask them to collect the box from First Aid. If parents/carers are wanting to collect RAT's from the College, please collect from Main Reception.

ELEVATE PARENT SEMINARS

Next week we continue our Term 3 Webinar series with our webinar on **Note Taking**, and how parents can help their children write better notes at home.

If you haven't yet shared this with your parents, I've included all the details you'll need below - if you have shared it with them, we look forward to seeing them there!

Wednesday 24th August @ 6:30pm (AEST)
How to Help Your Child Write Better Notes

Here's what Elevate will be covering:

- ✓ The most effective way to structure notes
- ✓ The 3 levels of acquiring knowledge and how to implement this with your child at home
- ✓ The power of deliberate practice and the fastest way for your child to improve their marks.

As always, to help make your life a little easier we have included promotional material below to help you advertise the webinars to your parent body. Simply click a button below, and we'll send you the promotional materials you need:

National Skills Week 2022

Australia continues to experience an increase in demand for skilled labour, which requires increased workforce participation, increased skill attainment and the employment of attraction and retention strategies. A large part of addressing this issue is providing ample education and information about the career and training possibilities and opportunities that are available to all Australians. National Skills Week aims to raise the awareness of the diversity of training and career opportunities available, pathways into training and education, and the importance of trades, skills and National Skills Week 2022 will take place from the 22 August until 28 August 2022.

National Skills Week events and activities will be taking place all over the country. Sacred Heart College will be hosting a presentation by Bendigo TAFE on Thursday 31 August at lunchtime. For more information on trades, skills and apprenticeships:

- A great first stop is the [National Careers Institute](#) website and [Careers Tools](#)
- The SkillsOne website is a great resource for videos and information on career and training opportunities, industry and job profiles, the latest news and information on the industry and more.

Employment Projections

Not sure of the career path to choose or if you'll get a job? Check out the [National Skills Commission](#) who have projected employment trends to 2026.

More than nine out of 10 new jobs to be created in the next five years will require post-secondary qualifications.

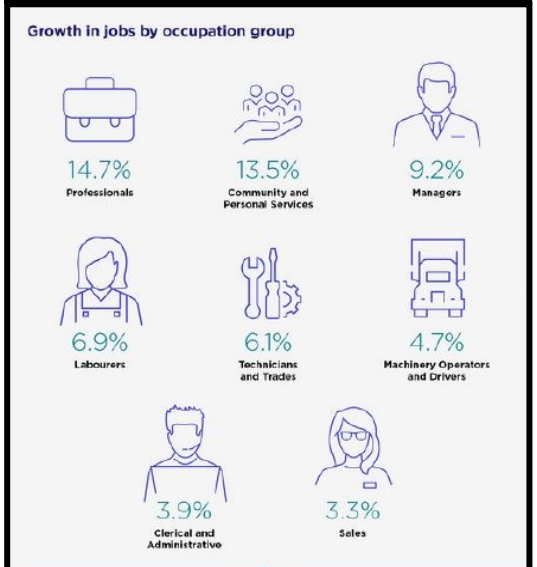

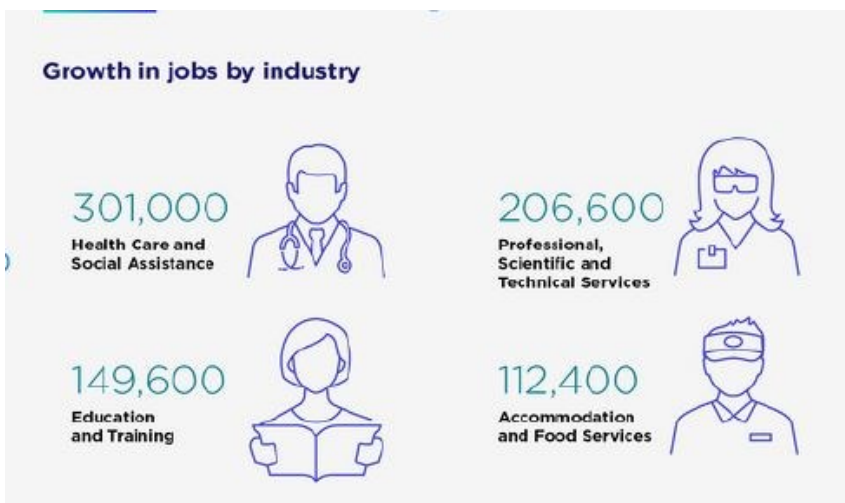

Some of the jobs with the strongest employment increases are:

- Aged and disabled carers (up by 74,900 or 28.0%)
- Registered nurses (up by 40,400 or 13.9%)
- Software and application programmers (up by 42,200 or 27.0%)
- Database and systems administrators, and ICT security specialists (up by 29,100 or 38.9%)
- Management and organisation analysts (up by 28,200 or 32.2%).

Jobs growth is projected across a range of industries but projections show four services industries accounting for almost two-thirds of employment growth to November 2026.

Five-year employment projections show very strong employment growth for professionals (up by 494,200 or 14.7%) and community and personal service workers (up by 188,900 or 13.5%).

This reflects the strong growth expected in the services industries that are the leading employers of workers in these occupational groups. Together, these two occupational groups are expected to account for nearly 60% of total employment growth over the next five years.

THE ARTS SPOT

Arts Week was a wonderful celebration of all the 'heart' that students put into the Arts at Sacred Heart.

We are so proud to announce the winners of the photography prize.

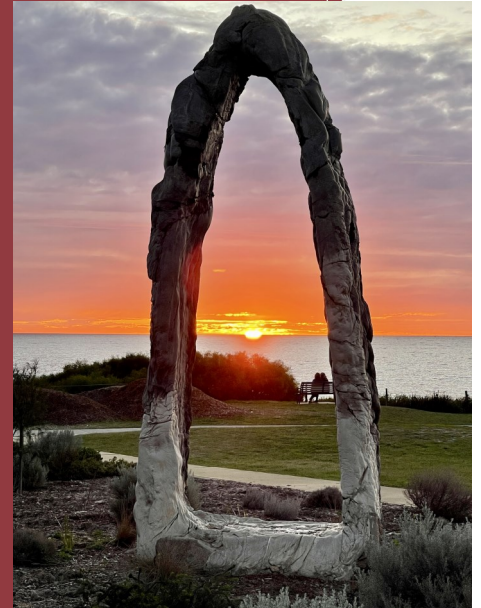

Junior Prize- Liam Coburn

Senior Prize - William Shaddock

Staff Prize- Terry Carrick

Peoples Choice - Thomas Davis

We ran two wonderful workshops - a Soul Choir workshop with Ms Duggan, and an Abstract Painting Masterclass with Ms Caddey. We hope you enjoy some images of the work produced. We also ran a whole day production rehearsal where students had time to work with acting and dancing coaches. It was a wonderful day.

Congratulations to the winners of the Arts Week pop quiz. 7F for putting in the most correct entries, they very much enjoyed their croissant brekky, and Nikko Stoltz for winning the \$50 movie voucher.

Thank you to our Arts Leaders for encouraging and supporting the student body in their creative endeavours, especially Lani Gallagher for her wonderful announcements in the mornings over the loud speaker - Ms Caddey

Detox your Home is coming to your area

Toxic household chemicals such as bleach, pesticides, weed killers, cleaning products, cosmetics and cooking oil should never be put in your rubbish bins or poured down the drain.

Dispose of everyday household chemicals safely at Sustainability Victoria's Detox your Home events, without harming your health or the environment.

Kyneton event

Saturday 17 September 2022
9.00am to 12.00pm

87 Saleyard Road, Kyneton

To register for an event near you, simply scan the QR code or visit sustainability.vic.gov.au/detoxyourhome

Please note that events are held annually at locations around Victoria.

Detox your Home events are now drive-through and contactless, supported by a COVIDSafe plan.

Paint, batteries and fluorescent lights are not accepted at this event.
For safety reasons we can't accept containers of more than 20 litres or 20 kilograms.
Please bring chemicals in their original packaging or in disposable containers.
For a full list of chemicals accepted, visit sustainability.vic.gov.au/accepteditems

Compost for sale!

Council can now offer a new delivery service alongside mulch, delivery of Australian standard FOGO compost within the shire. The initial two delivery sizes are:

3 cubic metres: \$146.30 GST included

6 cubic metres: \$182.60 GST included

Council is currently looking at establishing the costs of self-loaded compost in bags and trailers. The pick-up location is still under investigation.

For booking your compost delivery, please contact Customer Service on (03) 5422 0333 or visit your nearest Customer Service offices. To find the office locations and opening hours, visit

www.mrsc.vic.gov.au/Contact-Us/Contact-Us

Starlight Tour de Kids

Sacred Heart College student, Lachlan Goodes in Year 7, is going to participate in the Tour de Kids and raise money for the Starlight Foundation. If you would like to support Lachlan, please go to his fundraising page: tourdekids.org.au/Lachlan-goodes

I'm riding for sick kids

I've joined Starlight's Tour De Kids cycling challenge to raise money for sick kids. Help me brighten their lives by donating to my fundraising page
