

### Prayer/Reflection to St Joseph's College Echuca

- *We read an article in class about the flooding and I would like to say we are thinking about you guys and hope that the Year 12s who are struggling can have an easy path forward from here (Eve)*
- *I sincerely hope you all succeed in your finals, and you all push through these harsh times (Tom).*
- *We heard about the terrible floods and are sending all our love and best wishes. We wish we could fix this problem, but as we can't all we can give is our loving support and prayers. We wish you all the best and hope you can find the light at the end of this dark, dismal tunnel. Best of luck (Hilde).*
- *I hope you are staying safe and can keep your animals and livestock safe during this challenging time. I hope you will be able to complete the exams that you have worked hard for and achieve everything you hope for (Katie).*
- *As dire as it seems, time will pass and second chances are possible and you will all succeed at what you want to succeed at. We wish you the best of luck through your exams and these tough times, and are praying for you (Rory & Cooper).*

The kind words above are part of a series of messages of encouragement and hope prepared by 9E students for the Year 12 students at St Joseph's College Echuca as their community battled flood waters while simultaneously starting VCAA examinations. Congratulations to the students in 9E as well as their teacher, Andrea Knight, on this wonderful initiative.

### Learn Care Flourish at Sacred Heart College

Perhaps because of the lack of major school events in recent years, it has been extraordinary to see the large number of significant celebrations and activities that Sacred Heart College has hosted over the last two weeks. There are too many for me to list but the highlights have included:

- The final day celebrations for the Year 12 class of 2022 which culminated in a beautiful and moving Graduation Mass at Our Lady of the Rosary Church in Kyneton. Congratulations to all students, parents and staff involved. And good luck to all students who commenced their VCAA final examinations on Wednesday.

- The first 'in-person' Junior School Showcase was held last Thursday evening with hundreds of people viewing the exhibits in Quambi, Dwyer, Buckley and the Arthurson Atrium. The quality and breadth of work on display was amazing and a wonderful testament to the efforts of the students, their teachers and the support of parents at home.
- Yesterday, most of the 2023 Senior Student Cabinet was announced. I would like to congratulate the current Year 10 and 11 students who applied for one of the positions; the variety and quality of applicants was particularly notable. Special congratulations to the 2023 Sacred Heart College Captains, Baylee Eve and Alexander Lonergan.
- This week saw a special celebration held to launch the senior students' Art Exhibition at the Old Auction House in Kyneton. Congratulations to every student on completing the enormous amount of work necessary to achieve their final result.
- Congratulations also to the 100+ students who performed at several venues across the College on Tuesday night as part of this semester's Instrumental Music Evening. Each of the venues was close to capacity reflecting family's appreciation for the work undertaken by students across the course of this year. Special thanks to the outstanding group of instrumental music teachers led by Terry Carrick, who support and guide these budding artists.

### Melbourne and Kyneton Cup Long Weekend

A reminder to all in the Sacred Heart College community that the school will be closed from **Monday 31 October to Wednesday 2 November** due to the Melbourne and Kyneton Cup public holidays.

Yours in Mercy,

Dr Darren Egberts  
Principal

**Bereavements** - Your prayers are asked for the following families who are mourning the passing of a loved one recently. The Barlow family on the passing of Jenny Brown, great aunt of John 11D. The Bourke family on the passing of Cesira Matricardi, grandmother of Jessica 11E. The Large family on the passing of Elaine Hilder, great grandmother of Callum 9E and Charli 11F. The MacDonald family on the passing of Noel Maine, grandfather of Audrey 7B and Lucy 9D. The Hooppell family on the passing of Harold Groch, grandfather of Zara 8C and Sian 9B and the Iaria family on the passing of Carmel Fotia, aunt of Antonio 7A.

Our thoughts are with you all at this sad time.

## CALENDAR DATES

**Mon 31/10** - **STUDENT FREE DAY**  
VCE written exams (finish 16 Nov)  
VCE Art Exhibition (finishes 7/11)

**Tues 1/11** - **MELBOURNE CUP DAY**  
**(PUBLIC HOLIDAY)**

**Wed 2/11** - **KYNETON CUP DAY**  
**(PUBLIC HOLIDAY)**

**Thurs 3/11** - Year 7 Swimming Program in PE classes 17/10 to 26/11  
- Year 8 Taekwondo Program in PE classes 17/10 to 5/11  
Year 9 Tennis Program in PE classes 24/10 to 11/11  
GVBR Training 3:30pm - 6:00pm  
Jarlmadangah Group 3:40pm - 4:30pm

**Fri 4/11** Year 1 Sport & Recreation  
First Aid Course 9:00am - 3:00pm  
Music Scholarship Auditions (TBC)  
Year 10 PE Ozzfit Kyneton

**Music Leaders Concert 7:00pm - 9:30pm**

**Wed 9/11** - **Years 10 & 11 Exams**  
**(finish 17/11 with catch ups on 16/11)**  
GVBR Training 3:30pm - 6:00pm  
Maths Tutorials 3:30pm-5:00pm  
Parent Engagement Evening,  
Maria O'Shannessy 6:30pm - 8:30pm

**Thurs 10/11** **Period 5 3:35pm - 5:00pm**

**Fri 11/11** **Remembrance Day**  
**Final Day for families to accept offers**  
**for Year 7, 2024**

**Sat 12/11** **GVBR Training 8:00am - 1:00pm**

## BOOKLISTS - EARLY VCE ENGLISH BOOKLISTS - *Bronwyn Burke*

### Early VCE English and VCE Literature Booklists

#### Campion code for Sacred Heart College is: 7X2X

If your child is studying **VCE English Units 3 and 4** in 2023 they require a text for Step Up in November. The (Extra) Early Orders Booklist is called Early English VCE Units 3 & 4, on Campion. This text will be used during Step Up so it needs to be ordered by 3 November for timely delivery to the College, hence identifying it as "Early" for our purposes.

The booklist is uploaded to "Documentation for Families" accessible via PAM and on SIMON Daily Messages.

The Early English Booklist is also uploaded to these locations with books to be ordered for reading over the holidays for **VCE English and VCE Literature**. The closing date is 29 November. Note that Years 7 - 10 do not require novels to be ordered early.

All other booklists are in process and will be published as soon as possible.

## DEPUTY PRINCIPAL - STUDENT WELLBEING - *Julie Mortimer*

*Sacred Heart College is committed to promoting the safety, wellbeing and inclusion of all children.  
Further information about Child Safety at SHCK can be found on the College website.  
<https://www.shckyneton.catholic.edu.au/our-college/child-safe/>*

Since midway through Term Three, and for the first three weeks of Term Four, Sacred Heart has been carrying out the Student Leadership appointment process for the Senior Cabinet. The Cabinet consists of two College Captains who oversee nine Cabinets, all representative of the various areas of College life. It is now with great pleasure that I announce to the College Community our 2023 College Cabinet.

- **College Captains** Baylee Eve and Alexander Lonergan
- **Academic Captain** Cai Rowland
- **Student Wellbeing Captains** Hannah Dwyer and Imogen Sparrow
- **Sustainability Captains** Olivia Leatham and Nate Ryan
- **Applied Learning Captain** John Barlow
- **Culture Captains** Poppy Mills and Jessica Bourke
- **The Arts Captains** Grace Stewart and Jemima Cudmore
- **Sport Captains** Harrison Sheahan and Cara Beattie

The positions of Faith and Mercy@work Captains will be re-advertised once Year 10 return from SWL.

We congratulate all successful applicants and commend everyone who applied as all performed well. The calibre of all applicants this year was exceptionally high, which, following some difficult years, provides a very hopeful and exciting 2023.

The Junior College Cabinet selection process is now underway and will be announced in the coming weeks. We wish all applicants the best of success.

## SENIOR SCHOOL NEWS - *Paul Matthews, Head of Senior School*

The week before Melbourne Cup marks the start of the VCAA examinations for Unit 3-4 subjects for our Year 12, and Year 11 students who have accelerated in a VCE subject. We wish them all the very best and hope all of their hard work throughout the year is reflected in their Study Scores and ATAR.

Year 10 and 11 students (Unit 2 VCE subjects) are only a few weeks away from their Semester Two examinations, starting 9 November. These examinations provide students with opportunities to develop and refine their revision skills as they progress through the Senior School. It is important for all students who are preparing for the examinations use their time effectively and develop a study timetable. This strategy will maximise the time available to them in the lead up to the examinations, especially over the five day Melbourne Cup break. Other useful revision strategies include the use of past examination questions, as explained in the article, [Past exam papers: a useful study tool](#). There are a few other revision strategies in the article, [Revise, revise, revise](#).

The remainder of Term 4 is a very busy time for our Senior students. There are a number of key dates and events taking place, such as the examinations and the Step-Up program for 2023. All Year 10 and 11 students have been provided with a year level specific End of Year Arrangements booklet to support them over the coming weeks.

# JARLMADANGAH IMMERSION 2022

The 2022 Jarlmadangah trip was an amazing experience, filled with extraordinary people, knowledge and places. Our group of eight students and two staff entered this environment with respect and consideration. The many challenges and triumphs we encountered each day helped us to bond as a group, as we learned and grew from our shared experiences.

The immersion started with a few days in Broome to acclimatise to the harsh heat and dry conditions of Western Australia. We visited the Sisters of Saint John of God, where we heard from Sister Pat, who explained the history behind the work of the Beagle Bay Mission at the time of the Stolen Generation. The Principal of the Nyikina Mangala Community School, Wikitoria,

and teacher Megan, collected us in their 4 wheel drive to take us on the dirt road out to Jarlmadangah, where we were greeted by the sight of red, rocky ranges.

The community was positive and welcoming, from initially meeting Miss Wiki and Miss Megan, to entering the close-knit community and meeting its members. Mum Annie, an elder within the community,

Welcomed us to Country through a Smoking Ceremony, supported by her two sisters. She spoke to us with such emotion about her story, the story of her country and her family. We listened intently as she took us to see native plants, and shared her knowledge of their properties and uses as medicines and bush tucker.

Later that day we ventured into our first day of teaching and life at the school.

The children within the community continually surprised us with their knowledge of culture and land, as well as wisdom given to them by their elders and parents. Every single person had something wonderful to share – talents and passions, knowledge, a hot meal, a hug and friendship.

We stayed in the community for five days, spending each morning and afternoon surrounded by the children of Jarlmadangah, teaching them through the classes and activities we had planned. We witnessed that these people live by three things: love, family and country. We felt the full effects of these principles. Miss Megan warned us before entering that country would get under our skin. Initially we didn't understand what she meant, but this country indeed made its way into our hearts. The children and elders treated us with such care, as though we were family, opening up their home and country to us.

We are so grateful to have been a part of this trip. Jarlmadangah has changed our lives more than any of us could have ever expected or imagined. It was an honour and a privilege to learn about a culture and group of people, many of whom our ancestors have caused much harm and hurt.

**Hannah Raynor, Hannah Fawcett and Jess Bourke**

# YEAR 12 GRADUATION MASS

## Year 12 Awards

The Ethan McCulloch Courage and Resilience Award	<b>Matthew Schembri</b>
Genevieve Chalkley Mercy@Work Award - Year 12	<b>Aleara Tranter</b>
Citizenship Award – Year 12	<b>Buzz Wyatt-Pearce</b>
ADF Long Tan Award – Year 12	<b>Daniel Nithsdale</b>
ADF Future Innovators Award – Year 12	<b>Harrison Gatt</b>

Applications are invited for the following position:

## SCHOOL OFFICER – LEARNING SUPPORT

If you enjoy working with and relate well to young people and would like to assist students with additional learning needs to become independent learners, then we would like to receive your application.

Sacred Heart College is hoping to employ two Learning Support Officers for the 2023 school year. The opportunity exists for full-time or part-time work.

The Role Description, Selection Criteria and the Application Form are available on the [College website](#) or directly from Jan Bower, PA to Principal [jbower@shckyneton.catholic.edu.au](mailto:jbower@shckyneton.catholic.edu.au)

Applicants must have or obtain a Working with Children Check & Police Check. Experience working with students on the Autism Spectrum would be an advantage.

Applications are to be emailed to: The Principal, Dr Darren Egberts [principal@shckyneton.catholic.edu.au](mailto:principal@shckyneton.catholic.edu.au)

Sacred Heart College is committed to promoting the safety, wellbeing, and inclusion of all children.

**Applications Close: 4.00 pm Monday 7 November 2022**

# SPORTS REPORT

## Year 8 Boys and Girls Basketball - *Natasha Hanegraaf*

On 19 October, the Year 8 Boys and Girls Basketball teams travelled to Coburg to compete in the Northern Region competition. Coming into the tournament, both teams were undefeated. Whilst the girls faced fierce competition in all three games, they played each game to the end and never gave up, going down 0-3.

The boys team needed to step up another level on the day and they proceeded to do this, winning all three games convincingly. They will proceed to the State Championship on 14 November where they will face the best Year 8 school basketball teams in the State!

Well done to all players and best of luck boys for the next stage.

## Have you created your child's PAM medical profile?

At the beginning of 2023, we will be ceasing the use of Operoo and will be embracing more of the features PAM has to offer to reduce the systems families are required to use, and to streamline many of the current processes and communications between school and home.

In preparation for the 2023 school year, we are asking all families to log into your PAM account, check your registered email is correct and set up a new PAM medical profile for your child/children by **Wednesday 30 November**.

You can access PAM by going to "MY SHC" on the College web page or by typing the following into the address bar of your internet browser <http://pam.shckyneton.catholic.edu.au>. Please use your personal family login details.

If you have any queries, please email [pam@shckyneton.catholic.edu.au](mailto:pam@shckyneton.catholic.edu.au).

### Instructions for creating your child's Medical Profile:

The screenshot shows the top navigation bar with a home icon, a notification bell with a red '1', and a menu icon. Below the bar is a red warning box: "Your account requires an email address. Please click here to add an email address." The main content area is divided into two columns. The left column, titled "Students", shows a profile for "Simon Test" with Student ID: 3444, Year 7\*\*\*, and Unknown Homeroom \*\*\*. It also indicates "Attendance: no attendance data" and "No Current Tasks". The right column, titled "Daily Messages", contains two messages: "Careers lunchtime talk in Lower Dwyer D101 at 1.30pm" (Wednesday 5th October - Australian Defence Force (ADF)) and "SHC Career Tools website" (Students, please remember to keep checking our Career Tools website for all information on careers. This website is accessible...).

If you see a red warning box at the top of your screen please add your primary email address, if this warning screen does not appear please go to My settings via the menu in the top right corner and check that you have the correct email registered.

This screenshot is similar to the previous one but includes additional navigation options on the left side. Below the "Students" section, there are three categories: "Knowledge Bank" (Documentation for Families, Mercy at Work, Student Course Manuals), "School Links" (Library Resources: AustLit, Library Home Page, Library Information, Reading Lists, Reference Generator (Citemaker)), and "Calendar" (Sep 19 - 25, 2022). The "Daily Messages" section is identical to the previous screenshot.

To add a Medical Profile please click on the alert in the top right corner you will see the below pop up

The screenshot shows a user interface with a dark blue header. In the top right corner, there is a notification pop-up for 'Medical Profile' for 'Simon Test' dated '19 Sep 2022'. Below the header, a red alert banner states: 'Your account requires an email address. Please click here to add an email address.' The main content area is divided into several sections: 'Students' featuring a profile for 'Simon Test' (Student ID: 3444, Year 7, Attendance: no attendance data, No Current Tasks); 'Knowledge Bank' with links for 'Documentation for Families', 'Mercy at Work', and 'Student Course Manuals'; 'School Links' with 'Library Resources' and 'AustLit'; 'Daily Messages' containing a 'Careers lunchtime talk in Lower Dwyer D101 at 1.30pm' and 'SHC Career Tools website' information; and a 'Calendar' section.

Please click on the pop up and proceed to complete the full Medical Profile form. If you have multiple students at the school, you will receive an alert for each child.

**NOTE:** New students in 2023 will show as inactive, these students will become active at the commencement of the 2023 school year. Please complete your child's Medical Profile as above.

## HEALTH CENTRE INFORMATION - Jalna Holmes

### Paracetamol Administration at SHC

If students require paracetamol to be administered to get them through their school day, parents/carers need to have completed, signed and uploaded a Medical Authority Form to their child's PAM medical profile under Paracetamol Consent. Paracetamol can NOT be given without a completed Medical Authority Form. Medical Authority Forms can be found at on PAM and on the College website or via this link <https://www.shckyneton.catholic.edu.au/our-college/policies-and-forms> If you have any questions please don't hesitate to contact Health Centre Coordinator, Jalna Holmes, at the College on 5421 1200

### MEDICATION AND CAMPS

To ensure safe administration and storage of medications, any student requiring medication while on camp must hand their medication into their homeroom teacher the first morning of camp.

All medication needs to be clearly labelled with the student's name and in its original packaging.

All medication needs to be accompanied by a completed Medical Authority Form. A Medical Authority Form can be found on PAM and on the College website or via this link <https://www.shckyneton.catholic.edu.au/our-college/policies-and-forms>.

If you have any questions, please don't hesitate to contact Health Centre Coordinator, Jalna Holmes at the College on 5421 1200

## Junior School Showcase – a celebration of student achievement

The Sacred Heart College community were thrilled to be able to welcome parents, friends and members of the local community back onsite for the 2022 Junior School Showcase on 20 October. This event is one of the highlights of the year for Junior School students (Years 7, 8 & 9) at the College, and provides an opportunity for them to share their completed project work.

Students are challenged to complete a major individual project in each of the three years of Junior School. These projects aim to assist in the development of personal strengths, while also providing opportunities for students to challenge themselves.

The event was a fantastic celebration of all that had been achieved by students at each year level and the excitement for its return onsite was clear. Congratulations to all students on their amazing work..and to the parents for their ongoing support as these evolved across the year.

# Year 7 Portfolios

# Year 8 MAD

# Year 9 Expo

It was a joyful thrill to see the Year 9 Expo Project return to a live exhibition this year, after two years of using a virtual space to showcase student work. As a key element of the Junior School Showcase Evening, the Expo Project presentation was a true gala event, and all students involved should feel tremendous pride in their efforts. On the evening of the exhibition, Quambi was filled to capacity with an abundance of remarkable project items, including upcycled fabrics, refurbished furniture, reconditioned motors, photographic displays, works of art and even a trebuchet! While each and every finished product is impressive, the real outcome of the Expo Project is the often unseen experience of young people working with their family members and support networks to share time together exploring their passions and expressing their talents. Well done to all involved! Special congratulations to the recipients of our community-voted awards:

**Most Sustainable:** Mara Bone

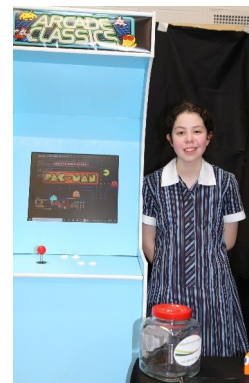

**Most Creative:** Kaden Bush

**Most Practical:** Genevieve Eames

**Most Unusual:** Alice Conaglen

**Most Engaging Presenter:** Rhys Garrahan

**Most Outstanding Overall:** Juliette Johnson

Year 9 Expo continued

# Junior Art & Design Show

For the first time, we had a show of Junior Art and Design work in Buckley, during Junior Showcase evening. It was a wonderful event with heaps and heaps of students coming down to show their parents and friends their work completed throughout the year. The cinema out the front with Year 9 Media films was a hit, with students and parents taking time to see themselves on screen, as well as junior ceramics work, drawing, painting and printmaking. It was a wonderful atmosphere!

## Another Cubby House for St Ambrose Primary School

On Sunday 23 October, five of our Year 12 students with three of their teachers, got together to install another cubby house on the grounds of St Ambrose Primary School in Woodend. This project allowed the students to meet the outcomes of their study of the Personal Development Skills VCAL unit, which involves connecting with an external group to complete a project that will be of benefit to the local community. This is the second year that we have been involved with St Ambrose.

The VCAL students (Mackenzie, Maclaren, Jack, Patrick and Hamish) met with some students from St Ambrose earlier in the year to get their input on what they would like them to build. They suggested a cubby with the theme of a schoolhouse. Last year we designed a cubby that resembles a café. Good weather conditions on Sunday meant that the installation went smoothly and the cubby looks fantastic. We hope that the St Ambrose students enjoy many hours of creative play in the cubbies for years to come.

Special thanks to Darren Paxton and Andrew Scarlett who mentored the VCAL students – without their help it could not have been completed, and we really appreciate them giving up their time on a Sunday.

Towards the end of Term 3, I went to a soup kitchen event in Kyneton with some other members of the Leadership Team. When I was there I learned that there are a lot of people in the Macedon Ranges who aren't as fortunate as us. I decided to set up a clothes drive for the homeless.

I put up posters around the College, and visited classes together with some members of the Junior Cabinet, to advise people that the clothing would need to be wearable, and that they could also donate hygiene items that could be given to the organisation. The clothes were picked up last week. I would like to thank everyone who donated clothes or hygiene items to us for this very worthy cause.

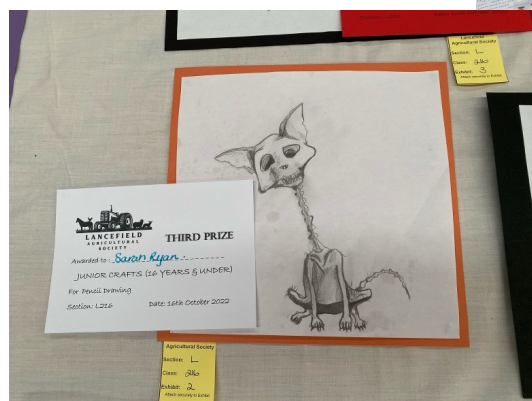

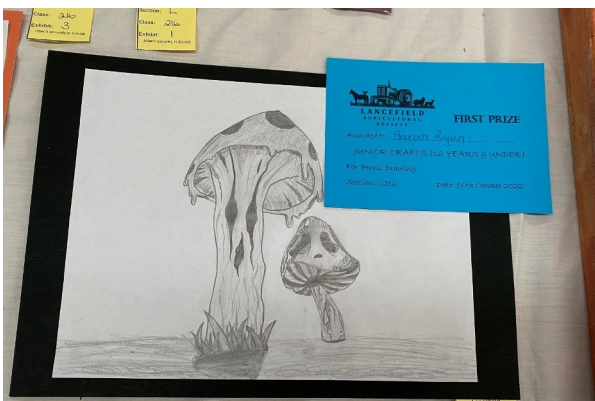

# Heard it on the Grapevine

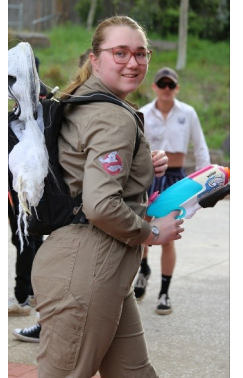

## Student Achievements

Congratulations to Sarah Ryan Year 8. Sarah recently started pencil drawings in earnest and entered some into the Lancefield show. As you can see she did remarkably well!

Being part of the local shows in our area is such an important part of being part of the community. It's fun too! Well done Sarah!

# Year 12 Celebration Day

### Year 7 Swimming

It has been great to be back at Kyneton Sports and Aquatic Centre for our swimming program under the watchful and careful instructions of Marie and Charlotte. The Year 7s have been working really hard on their survival skills in preparation for the Year 8 camp at the start of next year. It is imperative that they have the skills and knowledge about how to save themselves and others, and also have a very good understanding of their own ability, particularly in deep water situations. Here are a few photos of what has been happening so far.

### Year 8 Taekwondo

This has been a long time coming as the previous two year's programs have been cancelled. Well I can honestly tell you that the first week and a half has definitely been worth the wait. Thank you so much to Michelle and Kathryn from Macedon Ranges Taekwondo Club for their passionate and thoughtful sessions. The empowerment control and skills these students are showing has been very impressive and I (and the students) are really looking forward to remainder of our sessions. Here are some action photos from our early sessions.

# MUSIC NOTES – Terry Carrick

Last Tuesday night saw approximately 100 performances happening in three separate venues at the same time – a very busy night! Our Instrumental Recital evening provides an opportunity for all students enrolled in the Instrumental Music Program to learn the art of performance, in a safe environment, with a highly supportive audience. We had many students performing for the very first time at Sacred Heart, and they did so with great success. There were lots of nerves, but every student who got up to perform is another step closer to being a stronger performer! A huge congratulations to every person who performed – a brave and necessary step to being a stronger musician.

Our applications for SHC Music Scholarships has now closed. Applicants will receive advice on their audition timeslot, which will take place next Friday (4 November), in the Music classroom.

Our annual Music Leaders' Concert will take place on Monday 7 November in the Mary Moloney Theatre, commencing at 7:00pm. All performers will be required to be at the College no later than 6:40pm, wearing full summer uniform.

This concert is hosted by our 2022 Music Leaders (Charlotte Godsmark and William Shaddock) and celebrates the efforts that the students have made towards excellent musical outcomes throughout 2022. Performances will come from all of our Ensembles, plus a performance from students, each representing a member of the Instrumental Music Staff. We also bid a farewell to all students leaving the College who have made a significant contribution to College life through Music. This concert is a highlight of the Music calendar!

Following the concert, all students and families are invited to a light supper in the Atrium with the Music Staff.

Students who would like to enrol in the Instrumental Music Program for 2023 should do so through this link: [www.tinyurl.com/shcmusic2023](http://www.tinyurl.com/shcmusic2023).

## VCE Art Exhibition

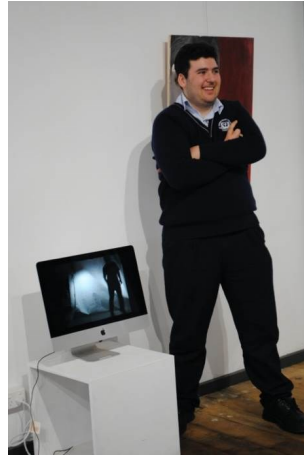

A huge congratulations to our wonderful Year 11 and 12 Visual Art students this year, on their creativity, passion and willingness to learn and explore.

We are lucky to have our Year 11 students work on display as well as Year 12 final works, and we can really see the talent and passion coming through the ranks. Here are some special works we would like to acknowledge.

**Year 11**- Exhibition Prize – Nick Garner - Video

**Year 11** - Consistent and Considered Prize- Grace Stewart

**Year 11**- Rising Star- Maeve Pierce

It is a night where we celebrate the Visual Arts, in all its wonderful messiness, zaniness and passion. We highly value the Arts at Sacred Heart, and we are so proud to have presented this wonderful exhibition.

It was wonderful to have Danny Butterworth attend the exhibition opening. For those of you who don't know Danny he is a local artist who ran some life drawing classes at the College at the start of the year, and we have been delighted that he has been back to work with our Year 12 students and mentor them over the last few months. We thank you Danny for your insight, and unwavering enthusiasm.

The students have been lucky to work under the guidance of Ms Sullivan this year, who has pushed them when they need to be pushed, revved them up when they need to be revved up, supported them when they need to be supported.

Every year we award a few special prizes. Those who have shone academically will be awarded prizes in end of year assemblies, however because The Arts is not just all about the grades and can be about that something special, we like to acknowledge some of the work that really shines for us with a number of awards.

**Exhibition Prize**- The work that shines in exhibition. Jasmine Gledhill... your vivacious green angel of feminism really has become the star of the show. I want to congratulate you on your bravery in bringing this work to life.

**Acquisition Prize**- Each year we purchase a piece of student artwork for the College collection. This year the Acquisition Prize was awarded to Dean Allan for his painting Megalophobia. Congratulations Dean!

Thankyou to all who attended the exhibition opening! If you were not able to attend, you can check out the [exhibition catalogue here](#)

# THE ARTS SPOT

## EXCITING NEWS.. Pet Portraits are going on tour!

The wonderful Year 7 & 8 pet portraits are heading to the Kyneton Agricultural Show, where they will be seen by big crowds! We hope they give as much joy to others as they have to us! Students will then be able to pick up their work in the last month of school.

*Sheep* by Kurt Shiner

**Carlsruhe 2023 Fundraising Calendar**

**2023 Calendar**  
**JUST \$20**  
 Plus \$2 postage

This 14 month calendar features CFA themed paintings by local artist Brett Lefebvre. The calendar comes in two formats, a local version with CFA vehicles badged 'Carlsruhe' and a general CFA version where all vehicles have no brigade name (apart from the calendar cover image).

This calendar was developed after Brett, a local artist and past CFA member, was inspired to paint a series of CFA themed paintings showcasing the Carlsruhe Brigade and it's local area.

All profits raised from this fundraising event will benefit the Carlsruhe Brigade, assisting with operational costs as well as the purchase of equipment.
