## *The Beginning of Lent*

Ash Wednesday marks the beginning of the Church's season of Lent. The marking of the Ashes on our forehead on this day is a public expression of our faith and that we are sorry for the times we have not been at our best. It is a time of prayer, fasting and almsgiving (donating what we can to Project Compassion).

Through prayer we come closer to God so that we are better able to realise our baptismal promise to live justly as Jesus teaches us. Fasting joins us in solidarity with people experiencing poverty who often have no choice but to go without the basic human needs. Sharing what we have, or 'almsgiving', is a sign of our commitment to justice and our thanks for all that God has given us.

Lent prepares us for the season of Easter, the most important time in the Church's calendar. By praying, fasting and giving alms, we are reminded of Jesus' death and resurrection.

Jesus brought the promise of hope to all people so that we may "Have life and have it to the full." (John 10:10). May we be encouraged to 'Be More' in our own lives, and in the lives of others.

Please Lord Jesus help us to think of others who are less fortunate and prepare ourselves well for Easter. Amen

## PRINCIPAL'S MESSAGE - *Dr Darren Egberts*

This week's prayer recognises the start of Lent this week with Ash Wednesday. The forty days of Lent are a fundamental part of the Christian tradition as preparation for the Easter Triduum of the Last Supper, Good Friday and the glory of Easter Sunday. Lent calls all faithful Christians to the threefold challenge of daily prayer, almsgiving and fasting. The sacrifice and personal discipline required to achieve these provide a touchstone for the ongoing challenge that is living a life after the example of Christ.

To mark the beginning of the school year for all Catholic school students in the Archdiocese of Melbourne, Archbishop Peter Comensoli has issued a letter to all families. The letter follows my article below.

### Remote Learning and Teaching

The uncertainty that we have been living with for the past twelve months was reinforced this week with the snap lockdown and three days of remote schooling. An enormous thanks to students, parents and teachers who managed this change quickly and effectively. Hopefully there has been little interruption to learning programs. However, until vaccines are rolled out to a majority of the country's population, we need to be prepared to continue to make these changes at short notice.

### Financial Support

Throughout the challenges of last year, the College offered significant support to almost 150 families affected by the economic downturn. This support will continue throughout 2021, although requests for financial support will be managed through the College's normal procedures for concessions. Families who are in financial difficulties are urged to make contact with the College's Business Manager, Mr Matthew Shaw ([mshaw@shckyneton.catholic.edu.au](mailto:mshaw@shckyneton.catholic.edu.au)) or through College Reception 54211200.

## New Staff

Over recent weeks, Sacred Heart College has welcomed a number of new staff:

- Michael Quinn Semester 1 English and Religious Education
- Charlotte Noonan Sports Trainee
- Jan McIntyre Education Support – Administration
- Annette Osborne Education Support – Study Hall

## Music Scholarship Auditions

Instrumental Music is an intrinsic part of Sacred Heart College's educational offerings and the easing of CV-19 restrictions this year promises a return to live performances and concerts. As part of our music program, a large number of students are auditioning this week for a range of music scholarships. I wish each student all the very best.

## Sacred Heart College Visitors' QR Code

In the current environment, the College is required to record all visitors in and out of the College to ensure contact tracing is possible in the event of a positive Covid-19 case or close contact. We are using the Victorian Government's QR code. Details on its use as included below. If parents or visitors are unable to use the code, there will be the option of manually signing in and out. The QR code will be used for large events such as assemblies, and also any after hours events. Visitors entering the College during school hours can continue to sign in with the VIZOO system.

Service Victoria  
Victorian Government

*Visitors can scan the QR code by opening up their smartphone's camera and allowing it to focus on the code. The smartphone will then generally identify the code and say what to do next. If this does not work, it is suggested that you download the Service Victoria app from the [Google Play Store](#) or [Apple App Store](#).*

*Parents and Carers of children in Catholic Schools  
Staff and Colleagues in Catholic Education  
Catholic Archdiocese of Melbourne*

My dear Brothers and Sisters in Christ,

My warm and prayerful greetings to you all.

I do hope that the Christmas season brought many blessings to you despite the extraordinary times we find ourselves in.

May I take this opportunity to once again extend my gratitude to each and every one of you; parents, carers, teachers and administrators, who have risen to meet the challenges of these times.

You have been resilient and innovative, and kept your families and communities close in times of distancing. The rich life of Catholic education is an indispensable part of our missionary call to the Gospel, and the good people of God are blessed abundantly through your efforts.

I am sure that you are eager to commence this year and to be filled with the energy and excitement that comes from helping our young people flourish and grow.

May St Joseph, our protector, strengthen and guide you all as faithful carers and diligent workers as this year unfolds. Please know that my prayers are with you.

With every grace and blessing, I remain,

Yours sincerely in Christ Jesus,

## DEPUTY PRINCIPAL - LEARNING & TEACHING - *Debra McNaughton*

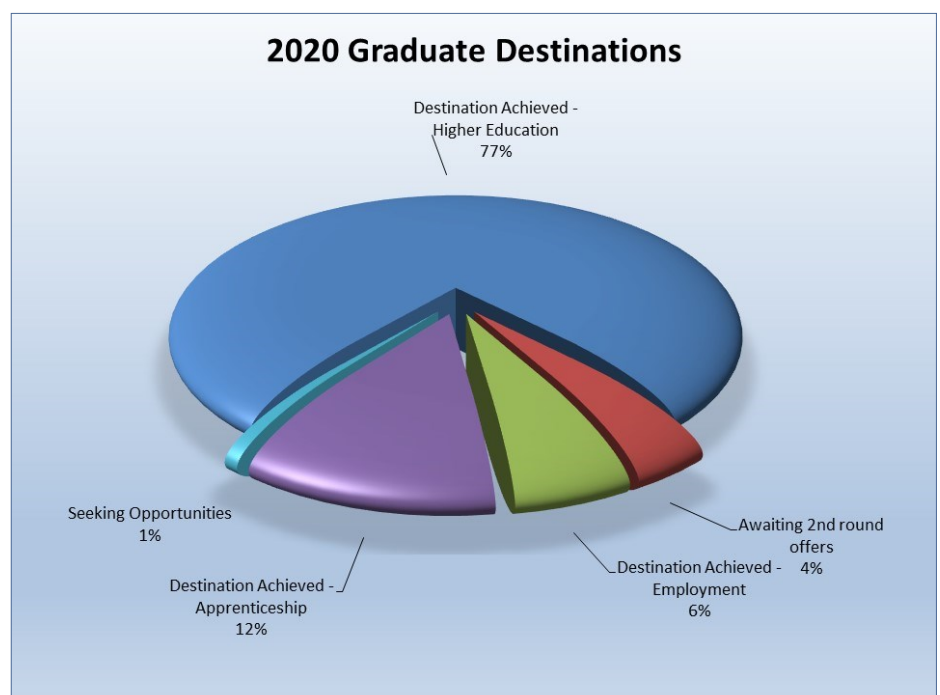

### Our 2020 graduate destinations

It is always pleasing to see that our graduates have sound opportunities beyond Sacred Heart. This group of students experienced the most tumultuous year in living memory, but their resilience shone through. We wish them well as they begin their new courses or start work in their new careers.

The data on destinations is compiled by Karina Wheeler and she noted some interesting facts:

- **Higher Education is still the number one destination for our students.**
- **77%** accepted into higher education. (**80%** of those having been offered one of their top 3 preferences).
- **4%** awaiting offers.
- **12%** achieving apprenticeships. This has **grown from 8% in 2019 and 6% in 2018**, a great outcome for VCAL students this year.
- **6%** in employment and **1%** awaiting a pathway outcome.
- Over the last 3 years, **La Trobe, ACU and RMIT** remain the top three Universities of choice. The study area of **Arts is the top choice** and has been over the last 3 years, **followed by the study area of Science**. Interestingly to note Science has grown in popularity since 2019, but Arts still remains the preferred choice.

This year **Monash was more popular than University of Melbourne**. This may be due to the fact that we had a larger number of students wanting to study **double degrees**, for example Art and Science.

The Class of 2020 has achieved excellent results and can be proud of their achievements.

As a group of students, they were a close-knit community and have been supportive of each other.

Our College Dux Amber Jepsen and Dux Proximus Jack O'Leary achieved excellent results.

Amber will be attending The University of Melbourne to study Arts and Jack will be attending Monash University to study Science / Arts.

Our Top Ten best performing students are to be congratulated for their excellent results, achieved through hard work, commitment and by building good relationships with their teachers who supported them in Year 12.

Students at Sacred Heart excel in many areas including sport, performing and visual arts and areas of vocational pathways into industry.

Our academic achievements add to the culture, diversity and rich courses we offer at the College to ensure our students have a 'vibrant life.'

## FOLLOW OUR WONDERFUL COLLEGE ON FACEBOOK

### FACEBOOK

We are now very active on Facebook and we would love our College Community to follow the wonderful achievements and events in which students and staff are participating.

Please click the icon '**click here to find us on facebook**' (be sure you are following the official SHC page)

We look forward to posting the news of the College and the students in the future.

### Yearbook 2020

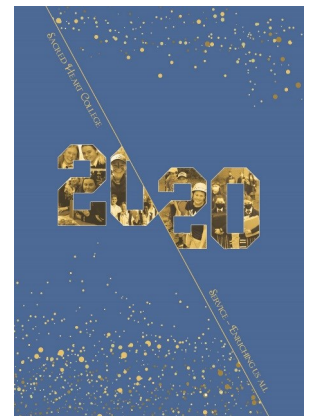

*Debbie Scarlett, Publications Officer*

The Yearbooks for 2020 were given out on the final day of school last year.

If your child has not received their Yearbook, due to being away on this day, please ask them to come to the Student Office to collect theirs.

We have advertised this in the Daily Messages, however, we still have many books uncollected.

If you have any queries, please call me at the College.

## FROM THE FINANCE DEPARTMENT - *Matthew Shaw, Director of Business*

### School Fees Direct Debit and Discount Reminder

A reminder to families that Sacred Heart College offers Direct Debit payment plans. Please contact the Finance Office for details, or to arrange a plan.

For families who are in a position to pay via lump sum, a \$200 discount per student is available to any families who settle their Tuition Fees and Levies charges in full before 28 February - please hurry to take advantage of this offer!

### CSEF Applications (Camps, Sports & Excursions Fund)

Families holding a valid means-tested concession card or are temporary foster parents are eligible to apply. This applies to families who hold a Current Veterans Affairs Gold Card, a Health Care Card or a Pensioner Concession Card.

The government will pay \$225 directly to the College, and the College will match this amount. A total of \$450 will be credited to your Family School Fee account for each student. This form is available on the College website under 'Enrol with Us then Fees and Expenses' - [Financial Assistance Form](#)

Alternatively you can contact the College Accounts Department for any queries relating to the CSEF.

**Closing Date 25/6/2021**

### FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

## Time Management and Study in Year 12 VCE

With the ongoing impacts of the pandemic, students are to be encouraged to practise good time management skills and strategies whilst at home and/or at school.

Time management is key to getting the most out of students' final year of secondary schooling. We want our students to achieve their best results, whilst staying healthy and happy. Students need to try and maintain a balance of school work, recreation, time with family and friends, and most importantly enough sleep. The following is some advice that was provided to our Year 12 students on their first day back this year:

- Aim for completing **3 hours of additional revision/study time per subject per week**
  - ◇ Break this up into 30-45-minute blocks (don't try to study for 3 hours on one topic/subject)
  - ◇ Remember your study periods at school can be included in this – so don't waste them
- Complete a **weekly study timetable** and include time for eating, sleeping, recreation and part-time work, as well as your time for study
  - ◇ Consider the best times for you to do your study e.g. Are you a morning or an evening person?
  - ◇ This is time to complete homework, but also to revise what you have learned during the day, make summaries and/or quizlets, and attempt practice questions
  - ◇ Use your study timetable and/or to-do lists to tick off tasks as you complete them, this will give you a good sense of achievement
- Start the year the way you plan to continue so that you get into some good habits early on.

Further information on the importance of managing your time can be found here:

### Accessing PAM (Parent Access Module)

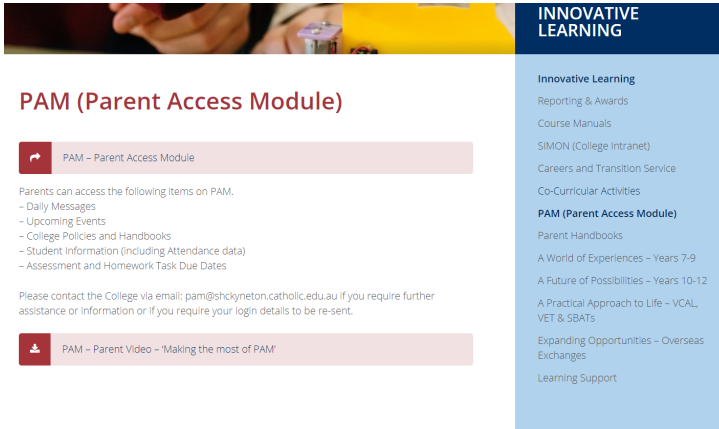

If you are a new parent/guardian you will have been sent PAM log in details from Mr Brendan Murphy by email. If it is not in your inbox please check your spam folder. Follow the prompts to log onto PAM.

As a parent/guardian you are able to:

- View assessment tasks and classwork that are due for your child
- View Daily Messages
- Access the calendar for up and coming events
- Important Documentation for Parents

In order to do so you need to enter PAM via the Sacred Heart College Website - [CLICK HERE](#). Please do not try to log on to the SIMON site that your child has access to for school information.

If you are parents/guardians who share custody of your children, you are able to get your own access to PAM by contacting the school Registrar, Ms Denise Lawrence, [dlawrence@shckyneton.catholic.edu.au](mailto:dlawrence@shckyneton.catholic.edu.au). Details will be forwarded to enable you to gain access.

**PAM (Parent Access Module)**

Parents can access the following items on PAM.

- Daily Messages

## Year 7 Immunisations 2021

Every day vaccination saves lives and makes it possible for Victorians to live free from the illness and disability caused by many infectious diseases. All Year 7 Victorian secondary students have the opportunity to receive the following free vaccines.

**Diphtheria, tetanus and pertussis (whooping cough) – single dose**  
**Human papillomavirus (HPV) – 2 doses (minimum 6 months apart)**

Year 7 students at Sacred Heart College will receive their immunisations on **Friday 26 March and Friday 22 October**

Local councils deliver the program and schools distribute the vaccine information and consent card booklets.

The *Public Health and Wellbeing Regulations* authorise schools to release parent and student information to local councils so that councils can follow up with parents after the consent card booklets have been distributed.

This means that we will provide Macedon Ranges Shire Council with your contact details, and a local council immunisation representative may contact you with vaccine program information.

If you do not wish for your details to be provided to Macedon Ranges Shire Council, please advise me in writing before close of business on 19 February 2021.

If you are unable to contact me by the above date, you will need to contact the immunisation officer responsible for the vaccine program at Macedon Ranges Shire Council, in the event that you have queries about your contact details.

The next step will be to read the information provided in your child's consent card booklet and complete all sections. Detach Part A with all fields completed, and return to the College. Without returning Part A of the consent card booklet, a student may miss the opportunity to be vaccinated.

It is important this section is completed and returned to the school, regardless of whether you consent for your child to be vaccinated **or not** as part of the school-based program. Please have consent cards returned to the College by Friday 19 February 2021.

Should you require further information please do not hesitate to contact Jalna Holmes on 5421 1200

## MUSIC NOTES - *Terry Carrick*

On Wednesday 24 March 2021, the Music Department will host a special event: our annual Ensemble Workshop Day. All students enrolled in the Instrumental Music Program will be involved in these activities due to their (mandatory) required participation in at least one College ensemble. Please note that every student at Sacred Heart College is very welcome to participate in an ensemble, whether they are learning an instrument or not.

During the first part of the day (periods 1-3), students will work within their respective College ensembles to further hone their skills of playing or singing in a musical group. During period 4, ensembles will present a performance showcasing their new-found skills and repertoire, in the Theatre. This concert is a wonderful opportunity for the students to see and hear their peers perform and reflect upon their own performance skills.

If students have not already done so, they should register for their preferred ensemble by using an online form at [www.tinyurl.com/ensembles2021](http://www.tinyurl.com/ensembles2021)

Students should wear full school uniform and attend their usual Homeroom assembly before moving to the Theatre for a short briefing. They will then move to their ensemble workshops with the following teachers:

1. Choir (with Mrs Duggan and Ms Clarke)
2. Show Band (with Ms Gill and Ms Morris)
3. Guitar Ensembles (with Mr Roberts and Mr Duggan)
4. Percussion Ensemble (with Mr Rousch and Mr Brentnall)
5. String Ensemble (with Mr Vyhna)

Whilst this event takes place during the day, I encourage parents to attend this concert. It will start at 2:05pm in the Mary Moloney Theatre and parents are required to sign in at the College's General Reception. Please note that any parents who would like to join us are required to wear a mask indoors, sanitise their hands and maintain social distance.

We are in a wonderful position, whereby demand for spaces in the Instrumental Music Program has required us to hire another staff member! We welcome Mr Jared Brentnall to our team. Jared is a wonderful drum and guitar teacher, and we are very fortunate to have him on the Music staff.

# HOUSE SWIMMING CARNIVAL

## NEW DATE TO BE CONFIRMED

*Mr Damien Zanic, Sports Coordinator*

The College Swimming Carnival which was postponed from last week, will now be re-scheduled and we will advertise the date in due course. Please check your Operoo letter for all details when the date is confirmed.

## Sports News

School Sport Victoria will once again be offering the opportunity for students with emerging talent to register to trial for school sport Team Vic teams in 2021.

Registrations to trial will be opening very soon and remain open until Monday 1 March, 2021 for Team Vic Big 5 teams: 12 years and under Boys' Australian Football, 12 years and under Boys' Basketball, 12 years and under Girls' Basketball, 12 years and under Boys' Cricket, 12 years and under Boys' Football (Soccer) and 12 years and under Netball.

Please note that registration to trial for these teams is limited to three students from our school. If there are more students than three seeking endorsement it is up to the school Principal to ensure a selection process is undertaken to choose the most appropriate students in 2021.

These are not Come 'n' Try opportunities. They are a process for selecting a Team Vic State Team going to School Sport Australia National Championships.

A minor change to the process for 2021 is:

1. 12 years and under Girls' Australian Football will be offered. All nominees will go direct to State Trials. 12 years and under Girls Football (Soccer) will not be required to go through stages of selection. All nominees will go direct to State Trials.

For further information regarding the Team Vic program visit [www.ssv.vic.edu.au/team-vic](http://www.ssv.vic.edu.au/team-vic) or speak with Mr Damien Zanic, Sport Coordinator the College.

## Parent Engagement Partnership

*Denise Lawrence*

At Sacred Heart College we value our partnerships formed between families, the College and Community.

We aim to continue supporting our families and raising parental awareness of the benefits of engaging in their children's education along with providing them with the skills to do so.

## Sacred Heart College Kyneton

### Understanding Anxiety & Depression

**Sacred Heart College welcomes members of the local community to our Mental Health & Wellbeing Event**

**Guest Speaker: Bryan Jeffrey**

Bryan Jeffrey is a registered psychiatric nurse with 24 years of clinical experience in the Child and Adolescent Mental Health sector, both in Scotland and in Melbourne.

As the founder and Director of MOAT: Mental Health Services, Bryan's training objectives include demystifying and destigmatising mental illness, allowing participants to understand and utilise the information for their own self-care, or to support people around them.

Further information about this event can be found on the trybooking page (see details below).

**When: Thursday 25 March**

**Time: 7:00 pm - 8:30 pm**

**Where: Mary Moloney Theatre

# School Photo Day - Make Up Day

MSP Photography were here for College Photo Day last Thursday. If your child was away that day, and missed their photo, there will be a 'Make Up' day. As soon as a date is set we will advise the students. All students must have a College photo, however, you are not obliged to order photos from the photographer.

## NEWS FROM THE CLASSROOM

### YEAR 9 POETRY

#### A response to the poem *We Are Going* by Oodgeroo Noonuccal

By Hana Tsuya

Now a rundown city,  
Years of neglect, walked upon like it's nothing.  
Forgotten and lost like old dreams and memories.  
The white men, like ants, have grown in numbers.  
The sign is lost, just like the old bora ring,  
Rubbish covering it makes it unrecognisable.  
No one knows  
The significance and tales of the old tribe lost.  
Since the day of the white men rampage,  
Not much has changed; it continues to be lost.

New generations of the old white men,  
Continue to waltz around like it's theirs.  
'This is our land, our country,'  
"You shouldn't be here", cries the spirits of the old tribe,  
But their cries go unheard.  
Now  
We are the future,  
Gaphembah Hill where lightning bolt fell,  
Thunderers felt no longer chasing him.  
Motor cages scare away the eagle,  
The kangaroo and the emu haven't been seen.

Hiding from prying eyes,  
The shadow ghosts search for the heat of the campfire.  
Forgotten,  
Forgotten and lost like old dreams and memories.  
Been blocked by the men, they couldn't take back what was theirs.  
They haven't stepped foot since the bora ring  
Forgotten.  
It's been forgotten.  
Now like a distant dream.

#### A response to the poem 'We Are Going'

By Olivia Tuck

We stole their land from them,  
And claimed it as our own.  
We used their old Bora Ring  
As a place to dump our rubbish.  
We said that they were strangers  
Even though we did not belong here.

They are the culture,  
The core of our country,  
The owners of the land  
Where they hold sacred ceremonies.  
They are the past, the hunts and the laughing games  
But instead, we come here and take all that away.

We use our guns to drive them away  
They scuttle over the hills,  
Scared of how much control we hold.  
We steal their children,  
And try to drum the culture out of their bones.

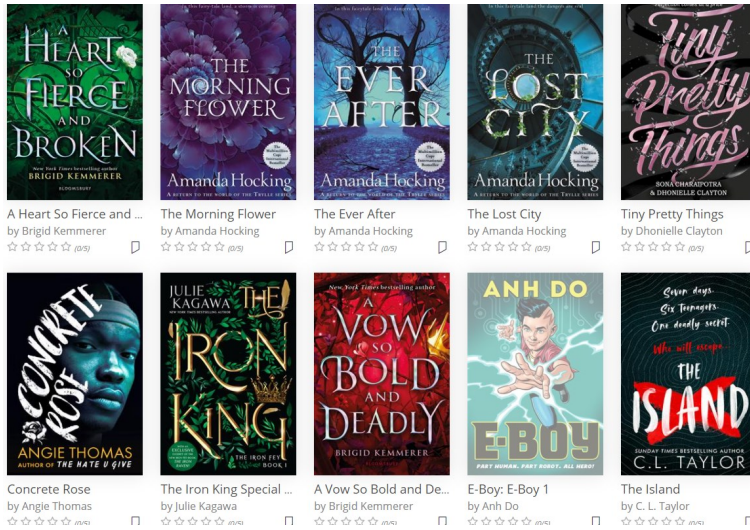

We did not consider them equals,  
Instead flora and fauna.  
We did not give them the right to vote,  
Instead, they suffer torture.  
We were selfish and rude and crazily obnoxious.  
And only now we realise and say sorry.

Because we *are* sorry  
For what our ancestors did,  
I know that little word will never be enough.  
But we are sorry for stealing your land and taking away  
your culture,  
And we want you to know:  
Please don't go.

## NEWS FROM THE CLASSROOM - Food Technology - Belinda Kime

Food Technology classes at Sacred Heart have been travelling along nicely with lots of enthusiasm from the students.

Year 7s and 8s have been learning about the importance of hand washing and navigating their way around the kitchen with a kitchen scavenger hunt. They have made chocolate truffle balls and French toast.

Year 9s have revisited kitchen safety and hygiene. They have practised their pastry making skills by producing both pasties and apple and cinnamon turnovers.

Year 11s had an opportunity to make fresh bread. The kitchen smelt amazing as it was baking! Putting theory into practice, they applied their knowledge of the development of early agriculture and how survival was dependant on the cultivating of wild crops such as wheat, drying the grains and turning them into flour.

Year 12s looked at the science behind coagulation and demonstrated their knowledge by poaching an egg and making Eggs Florentine. It was interesting to see the differences in poaching an egg when it was placed straight into boiling water, had no vinegar or the perfect environment of heat, vinegar and a whirlpool.

# THE ARTS SPOT

## Welcome Back to Arts Spot 2021

We look forward to showing you the wonderful things we are doing in our art, vis comm, media, music and drama classes, and the creative work that our students produce this year!

We also welcome back Ms Maxine McKee after a year of Long Service Leave to teach Year 7 Vis Comm and Year 8 Art. We look forward to having her expertise back in the department.

Year 10 Art have started drawing some amazing fruit and vegetables to learn about how to use different media, and build-up the tool box of drawing tools and techniques. They are learning to draw using negative space, contour lines, finding the light source and drawing shadows and highlights.

Here are some shots of them working. Watch this space for some more big wobbly drawings in the near future!
