

Child Safety and Wellbeing Policy (Associated MEL Policy 6.09a) Sacred Heart College, Kyneton

Introduction:

Sacred Heart College (the **College**) is operated and governed by Mercy Education Limited (Mercy Education/MEL). Mercy Education has zero tolerance for all forms of child abuse. Mercy Education has legal and moral obligation, an overarching commitment and non-delegable duty to ensure that its children and young people are safe and secure while fostering their growth in a faith-centred community. The College holds the care, safety and wellbeing of children and young people as a central and fundamental responsibility.

Child safety and wellbeing are at the core of Mercy Education's mission and operations and its schools promote safe, inclusive and welcoming learning environments. Therefore, the College holds the responsibility to create an inextricable connection between student safety and learning. This connection will be the foundation of all decisions made, and actions taken by the College when delivering a quality education to students. At all times, the ongoing safety of its students will be at the forefront of mind, and the schools paramount consideration.

The Mercy Education Board approves and oversees the implementation of child safety and wellbeing policies, codes of conduct, reporting and recordkeeping procedures across all Mercy schools and throughout the organisation. This is in accordance with relevant state and federal legislation and Diocesan regulations and through its executive personnel at the National Office of Mercy Education Ltd.

Our commitment is drawn from and inherent to the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel (VCEA Commitment Statement to Child Safety).

Purpose:

The purpose of this policy is to demonstrate and support the commitment of Mercy Education and Sacred Heart College to the care, safety and wellbeing of children and young people through leadership, governance, operations and culture.

This policy provides an outline of the policies, procedures, actions and strategies that will be implemented to ensure that a child safe culture is championed and modelled at all levels of the

organisation to keep students safe from harm, including all forms of abuse in our school environment.

This Policy is aligned with the relevant legislative requirements within the State of Victoria, including the specific requirements of the Child Safe Standards as set out in <u>Ministerial Order No.</u> 1359: Implementing the Child Safe Standards – Managing the Risk of Child Abuse in Schools and School Boarding Premises.

Scope:

This policy applies to all Mercy Education and school employees, contractors, clergy and volunteers whether or not they work in direct contact with students. It also applies to College Advisory Council members (as volunteers) and applies in all school environments and boarding environments (where relevant).

This policy also applies to all physical and online school environments used by students during or outside of school hours, including other locations provided for a student's use (for example, a school camp) and those provided through third-party providers.
