Shining Lamp Award (Formally Mercy Education Award)

Each year, this award recognises one student from each Mercy school across Australia who lives out the values of Compassion, Justice, Respect, Hospitality, Service and Courage. Its name comes from Catherine McAuley's call to be shining lamps, giving light to those around us.

This year's recipient shines through the Mercy value of Service. As a committed SRC representative, she gives her time to support College life. She is also a familiar voice at College Masses, where she regularly serves as a reader. Her willingness to put herself forward for senior Student Cabinet roles shows that she is ready to take on greater responsibility in service of her peers.

Beyond Sacred Heart, she has represented young people on the Macedon Ranges Youth Council, where she was appointed Youth Mayor. She has spent two years with Reach Out Rangers supporting youth wellbeing, and as a junior calisthenics coach she encourages younger children as they learn and grow in confidence. Her contribution to the wider community was recognised with a nomination for the Macedon Ranges Shire Council's Youth Leadership Award.

Whether she is speaking up for her peers or encouraging a young person to try again, she puts Mercy into action by helping others feel seen, heard, and supported.

Today, our recipient will receive a certificate and the Shining Lamp Award. She will also be featured in Mercy Education's digital magazine alongside recipients from other Mercy schools. It is a pleasure to present this year's Shining Lamp Award to: **Matilda Wills**
